Sub: Financial support to carry out a Research Study Titled, "A Holistic Assessment of Udaipur's Rock Phosphate Mining's Influence on the Quality of life (With special focus on Health) of Communities Living in nearby Villages and Strategies to Enhance their Health & Well-Being at Udaipur"

Ref: Your letter dated 03.05.2024.

Sir,

This is with regard to above subject and proposal, Management has considered your request and approved an amount of Rs. 14.89 Lacs to carry out a Research Study Titled, "A Holistic Assessment of Udaipur's Rock Phosphate Mining's Influence on the Quality of life (With special focus on Health) of Communities Living in nearby Villages and Strategies to Enhance their Health & Well-Being at Udaipur" by IIHMR University, Jaipur under Corporate Social Responsibility activities of the company.

As mention in your proposal, your institute will be analysing the Dust load, quality of air, water, soil samples, collaborations which will be done with technical organization like IITM (Indian Institute of Tropical Metrology), New Delhi, State Pollution Control Board, Birla Institute of Scientific Research, RRSC (Regional Remote Sensing Centre) etc. The study would encompass detailed characterisation of existing status of environment in the area within 15 Km radius from the mining project site which will include Villages of Khegaron ki Bhagal (Sameta & Dhamdhar) Jhamarkotra, Chansda (Mahudi & Chansda)- Panchayat Samiti. The study will be carried out for a period of 6 months.

We are sure that IIHMR, Jaipur will achieve the aim and objectives for which the research work has been undertaken and president of IIHMR, Jaipur will share the copy of research and outcome of the research carried out through the financial assistance.

You will send us utilization certificate/photographs, video clippings etc. (If any related to research work). Further you are also requested to provide Bank details for release of Fund.

Thanking You,
