Academic Year: 2023-24

ID	Start time	Completion time	Email	Name:	Affiliation:	The curriculum provides comprehensive subject knowledge and practical competencies required by the industry.	The curriculum is designed to enhance analytical thinking and problem-solving skills.	The curriculum is designed to promote holistic development by incorporating social, emotional, and ethical learning.	The program provides various opportunities such as industrial visits, project work, internships, field visits, and community-connect training.	The curriculum has been designed to integrate relevant technical tools and software.	The curriculum is designed to improve students' entrepreneurial skills, employability, and encourage lifelong learning. It also emphasizes the importance of human values and professional ethics.	Do you have any other suggestions for improving the curriculum?
