

11th ANNUAL REPORT

2024 - 2025

Message from President

I'm happy to share the Annual Report for the year 2024-25. This report reflects the collective dedication, perseverance, and achievements of our exceptional faculty, staff, students, and partners. This year, IIHMR University has made remarkable progress, achieving key milestones that reaffirm our commitment to academic excellence, research, and societal impact. We have strengthened our academic programs, expanded global collaborations, and launched impactful initiatives addressing real-world challenges. These accomplishments inspire us to continue driving innovation and creating meaningful change in public health and management.

In line with our commitment to academic innovation and industry relevance, the academic year 2024-25 marked the launch of three significant programs at IIHMR University: the Executive MBA in CSR & ESG Management, Certificate Course

on Digital Health and Certificate Course on Generative AI in health. These programs are designed to equip professionals with critical competencies in sustainability, corporate responsibility, and digital transformation in healthcare. Further strengthening our value-driven approach, we also introduced comprehensive Employee and Student Value Propositions (EVP & SVP) to define the advantages and supportive ecosystem offered across the university community.

Student placement outcomes at IIHMR University reached a remarkable milestone during the academic year 2024-25, reflecting the institution's growing reputation and strong industry connect. We are proud to report a stellar placement season, with the highest package offered reaching ₹35.6 lakh per annum. This accomplishment highlights the quality of our academic programs and the high competence of our students, who are well-prepared to meet the dynamic needs of the healthcare and management sectors. The dedicated efforts of our faculty and placement cell have been instrumental in guiding students toward impactful roles in leading organizations, both in India and abroad.

In the year 2024, we celebrated the successful completion of Ph.D. program by eight research scholars, each contributing to vital areas of inquiry within their respective fields. Their work addressed key topics such as public health policy, health systems management, and community-based healthcare. These achievements reflect both their academic dedication and IIHMR University's continued commitment to impactful research and excellence in healthcare education.

IIHMR University actively contributed to healthcare advancement by hosting and participating in various training programs supported by governmental and nongovernmental agencies. Our efforts in education, research, training, and strategic consultation support positive change in health systems and help build healthier communities globally.

The Executive Education landscape at IIHMR University has evolved significantly since the initiation of its Master of Public Health (Executive) and Master of Hospital Administration (Executive) cohorts in 2021. With the successful launch of Cohort 4 in January 2025, the university reaffirms its sustained dedication to expanding advanced, high-quality educational opportunities for working professionals.

The academic year 2024-25 was filled with a range of dynamic events and noteworthy achievements at IIHMR University. A major highlight was the celebration of the University's 40th Foundation Day, commemorating four decades of excellence in healthcare management, research, and education. The occasion also featured the presentation of the Distinguished Alumni Awards, recognizing the

outstanding contributions of our alumni. Another key event was the Convocation Ceremony, where 334 postgraduate and PhD degrees were conferred. Continuing its strong focus on academic and community engagement, the University also hosted the Alumni Meet 2025: Ekatva, which brought together over 200 alumni, along with current students, faculty, and staff, in a vibrant celebration of connection and shared legacy.

IIHMR University has been recognized as a leader in higher education, achieving the #1 rank in Rajasthan across several esteemed surveys, including the Times B-School, Education World, GHRDC, Career 360, and Competition Success Review. Nationally, the university was honoured with an A+++ rating from Business India and declared the #1 Private Healthcare Management University in India by Education World. Our efforts in advancing education and institutional excellence have rewarded us with the “Most Impactful University of the Year - 2024”, the “CSR Top University of India”, and the “Eminent President of Leading University of India” awards. The university has also received the Digii100 Award for digital transformation leadership, and the Titanium Band in sustainability from the R. World Institutional Green Ranking 2025.

This year we made notable advancements in research excellence and institutional partnerships, reinforcing our role as a key player in healthcare management education. Our faculty continued to lead innovative projects contributing to evidence-based policy and practice. We significantly expanded our engagement with international universities, industry stakeholders, and both government and non-government organizations, resulting in enhanced opportunities for academic exchange, joint research, and field-based learning. A major milestone was the signing of 12 MoUs in a single day during the GHMRC 2025 conference – an achievement that reflects our growing reputation as a global hub for healthcare education and collaborative innovation.

In the year 2024–25, IIHMR University continues to uphold its dedication to strengthening ties between academia and industry by organizing a wide range of academic and professional events. These activities, including conferences, workshops, seminars, webinars, and master classes are aimed at enriching knowledge exchange, developing real-world skills, and fostering collaborative efforts in healthcare management and research. Notable among these events were the “National Conference on Impact of Sustainable Business in India,” which brought together over 400 delegates to explore sustainable business practices, and “PRADNYA – Global Health Management Research Conference (GHMRC 2025),” which attracted over 600 participants to explore key global health management issues. These initiatives offer significant opportunities for both students and faculty to gain deeper industry insights and engage in meaningful discussions with professionals and thought leaders in the field.

This year has been a journey of growth, collaboration, and achievement. The progress we have made this past year stands as a testament to what can be achieved through shared purpose and collective effort. At IIHMR University, we remain committed to fostering innovation, advancing knowledge, and preparing leaders who will shape the future of healthcare and beyond.

I extend my sincere thanks to every member of our community – your passion, perseverance, and contributions continue to propel us forward. Together, let us continue to lead with conviction, and build a future that reflects our highest aspirations.

Best regards,

Dr. P. R. Sodani

President

IIHMR University, Jaipur

1. About the University

Origin

The genesis of the IIHMR University, Jaipur dates back to October 05, 1984, when its sponsoring body, the Indian Institute of Health Management Research (IIHMR) was established and registered as a non-profit Organization under the Rajasthan Societies Registration Act, 1958. IIHMR University, Jaipur, has been established and incorporated as a postgraduate research University by the Government of Rajasthan vide the IIHMR University Ordinance, 2013 (Ordinance No. 30 of 2013) promulgated on September 27, 2013, by the Governor, which was replaced by the IIHMR University, Jaipur Act, 2014 (Act No. 3 of 2014) passed by the State Legislature on February 07, 2014. The IIHMR University, Jaipur Act, 2014 (Act No. 3 of 2014).

Objectives of the University

As defined in Section 4 of the IIHMR University, Jaipur Act, 2014, the objects of the University shall be to undertake only postgraduate education and research in the disciplines specified in Schedule II and such other disciplines as the University may with prior approval of the State Government, determine from time to time and to achieve excellence and impart and disseminate knowledge in the said disciplines. The disciplines in which the University shall undertake post-graduate study and research are:

1. Public Health
2. Health and Hospital Management
3. Population and Reproductive Health
4. Nursing Management
5. Pharmaceutical Management
6. Rural Management
7. Health Economics and Finance
8. Urban Health
9. Nutrition and Health
10. Health Communication
11. Social and Behavioral Sciences
12. Environmental Health
13. Information Technology in Health Sector
14. NGO Management and Entrepreneurship
15. General and Human Resource Management
16. Health Research Ethics

Strategic Framework

VISION

To become a world-class higher education institution by promoting education and research for betterment of the society.

MISSION

IIHMR University is dedicated to the improvement in standards of health through better management of health care and related programmes. It seeks to accomplish this through management education, research, training, consultation, and institutional networking in a national and global perspective.

Research and Development Committee

Name	Role
Prof. A. Venkat Raman Member, Board of Management, IIHMR University	Chairperson
Dr. S.D. Gupta Trustee, IIHMR, Jaipur	Member
Dr. P.R. Sodani President, IIHMR University	Ex-officio Member
Dr. Anoop Khanna Member, Board of Management, IIHMR University	Member
Dr. Anupam Mehrotra Assistant Professor, IIHMR University	Member Secretary

Infrastructure Development Committee

Name	Role
Mr. Satish C. Mehta Member, Board of Management, IIHMR University	Chairman
Mr. Vedant Kanoi Co-Founder & CEO, FoodCloud.in	External Member
Dr. S.D. Gupta Trustee, IIHMR, Jaipur	Member
Mr. Sudarshan Jain Chairperson, IIHMR University	Ex-Officio Member
Dr. P.R. Sodani President, IIHMR University	Ex-Officio Member
Mr. Neeraj Srivastava Dy. Registrar, IIHMR University	Member Secretary

3. Collaborations and Partnerships

During 2024-25, the university has signed the following MoUs with governmental and non-governmental organizations:

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Curtin University, Malaysia, which will be effective for five years from April 23, 2024, to April 22, 2029. The MoU aims to promote mutual learning and professional development through student exchange and capacity-building activities. It strengthens academic cooperation through joint seminars, conferences, and public health initiatives.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Krishiv Healthcare, Jaipur, which will be effective for five years from May 27, 2024, to May 26, 2029. The MoU aims to support collaboration in healthcare initiatives, training, and academic engagement. It enables both institutions to exchange expertise to enhance healthcare management practices.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Biopreserve Innovations, Jaipur, which will be effective for five years from May 28, 2024, to May 27, 2029. The MoU aims to facilitate cooperation in research, capacity building, and professional development. It promotes joint activities in biotechnology and innovation-driven healthcare solutions.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with REACHA, New Delhi, which will be effective for three years from May 29, 2024, to May 28, 2027. The MoU aims to leverage the IBM SkillsBuild platform for student capacity building and knowledge enhancement. It enables collaboration in digital skills development and employability-focused initiatives.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with SAATHII, which is effective from May 29, 2024. The MoU aims to strengthen capacity building for TI and Link Worker Scheme in Rajasthan under Global Fund-7. It supports coordinated program implementation and knowledge sharing with state project units.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with the Birla Institute of Scientific Research, Jaipur, which will be effective for three years from August 2, 2024, to August 1, 2027. The MoU aims to promote collaborative research using geospatial technologies and related tools. It encourages joint scientific projects and technical knowledge exchange between both institutions.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Entrepreneurship Development Institute of India, Ahmedabad, which will be effective for three years from August 6, 2024, to August 5, 2027. The MoU aims to promote entrepreneurship development, research, innovation, and capacity building. It strengthens joint activities in education, incubation support, and entrepreneurial ecosystem development.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with IPE Global Limited, which will be effective for three years from August 13, 2024, to August 12, 2027. The MoU aims to foster collaboration in research, training, academics, and student engagement. It establishes a joint framework for addressing public health challenges through evidence-based initiatives.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with ICMR–NIIRNCD, Jodhpur, which will be effective for five years from October 10, 2024, to October 9, 2029. The MoU aims to promote joint research, academic cooperation, and capacity-building activities in non-communicable diseases. It supports collaborative publications, field research, and scientific knowledge dissemination.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Universitas Islam Bandung, Indonesia, which will be effective for five years from October 16, 2024, to October 15, 2029. The MoU aims to enhance academic collaboration through student and faculty exchange, research, and joint programs. It supports cross-cultural learning and shared efforts in global public health education.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with IIHMR Bangalore, which will be effective for three years from October 17, 2024, to September 16, 2027. The MoU aims to promote academic, training, and research collaborations between the two institutions. It strengthens a shared platform for faculty interaction, joint programs, and institutional development.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with the Maternity Foundation, which will be effective for three years from November 27, 2024, to November 30, 2027. The MoU aims to support initiatives in maternal health, capacity building, and collaborative programs. It encourages joint efforts to develop innovative solutions for improving maternal health outcomes.

ASEM
Lifelong Learning
IRELAND 2020-2025

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with ASEM Education & Research Hub, Ireland, which will be effective for three years from November 28, 2024, to November 27, 2027. The MoU aims to promote lifelong learning research and increase visibility of regional initiatives. It supports shared activities that advance educational cooperation in South Asia.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with the Rajasthan State AIDS Control Society, which will be effective for the period January 1, 2025, to March 31, 2027. The MoU aims to strengthen capacity building for Link Workers under targeted intervention programs across Rajasthan. It supports monitoring, technical training, and implementation of field-level interventions.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Ibtada Foundation, which will be effective for three years from November 29, 2024, to November 28, 2027. The MoU aims to foster collaboration in community development, capacity building, and program support. It includes joint webinars, seminars, and initiatives promoting scientific knowledge sharing.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with the National Health Systems Resource Centre, New Delhi, which will be effective for two years from February 14, 2025, to February 13, 2027. The MoU aims to collaborate on public health systems research and capacity-development activities. It supports joint work in policy development, technical training, and institutional strengthening.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Bharat Serums and Vaccines Limited, which will be effective for two years from February 14, 2025, to February 13, 2027. The MoU aims to develop research proposals, co-author publications, and conduct joint academic programs. It promotes collaboration through workshops, conferences, and healthcare capacity-building initiatives.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with the University of Public Health, Yangon, which will be effective for five years from February 14, 2025, to February 13, 2030. The MoU aims to establish cooperation in research, training, academics, and consultancy. It supports joint programs to strengthen global public health education and professional development.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with IIS (Deemed to be University), Jaipur, which will be effective for five years from February 14, 2025, to February 13, 2030. The MoU aims to establish collaboration in Research, Training, Academics, and Consultancy. It strengthens joint initiatives to enhance institutional development and academic exchange.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with the Child in Need Institute, West Bengal, which will be effective for five years from February 14, 2025, to February 13, 2030. The MoU aims to establish collaboration in Research, Training, Academics, and Consultancy. It strengthens joint initiatives in capacity building, knowledge sharing, and public health program development.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Amar Medical & Research Centre by Park Group of Hospitals, Jaipur, which will be effective for five years from February 14, 2025, to February 13, 2030. The MoU aims to promote academic excellence, research innovation, and professional development. It supports collaboration to enhance service delivery, operational efficiency, and capacity-building initiatives.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Bhagwan Mahaveer Cancer Hospital & Research Centre, Jaipur, which will be effective for three years from February 14, 2025, to February 13, 2028. The MoU aims to establish collaboration in Research, Training, Academics, and Consultancy. It strengthens joint initiatives to advance cancer care research, capacity building, and academic development.

americares

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Americares India Foundation, New Delhi, which will be effective for five years from February 14, 2025, to February 13, 2030. The MoU aims to establish collaboration in Research, Training, Academics, and Consultancy. It promotes joint initiatives in public health, capacity building, and humanitarian program development.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Population Services International India, New Delhi, which will be effective for three years from February 14, 2025, to February 13, 2028. The MoU aims to establish collaboration in Research, Training, Academics, and Consultancy. It enhances joint efforts in public health initiatives, capacity building, and evidence-based programming.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Healthark Wellness Solutions LLP, Ahmedabad, which will be effective for five years from February 14, 2025, to February 13, 2030. The MoU aims to establish collaboration in Research, Training, Academics, and Consultancy. It strengthens joint initiatives in health innovation, program development, and capacity building.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Dev Insights Private Limited, New Delhi, which will be effective for five years from February 14, 2025, to February 13, 2030. The MoU aims to establish collaboration in Research, Training, Academics, and Consultancy. It supports joint work in evaluation studies, knowledge sharing, and evidence-based public health research.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with CSRBOX Foundation, Gujarat, which will be effective for three years from February 14, 2025, to February 13, 2028. The MoU aims to mutually complement both institutions' outreach, efforts, and knowledge resources through the IBM SkillsBuild Program. It facilitates collaboration in capacity building, digital learning, and co-created social impact initiatives.

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with Rajasthan University of Health Sciences (RUHS), which establishes IIHMR University as the Mentoring Institute for its Master of Public Health (MPH) programme. The MoU aims to strengthen cooperation in academic planning, programme delivery, and curriculum support. It enables IIHMR University to contribute to faculty identification, teaching support, and academic quality enhancement aligned with RUHS needs.

Rajasthan State AIDS Control Society
राजस्थान स्टेट एड्स कंट्रोल सोसाइटी

IIHMR University, Jaipur signed a Memorandum of Understanding (MoU) with the Rajasthan State AIDS Control Society to operationalize the Kshamta Kendra. The MoU aims to strengthen capacity-building activities under the Link Workers Scheme and targeted intervention programs in Rajasthan. It contributes to statewide HIV prevention efforts and supports strategies toward ending AIDS by 2030.

4. Research

IIHMR University has created an enabling environment for conducting research to generate evidence for policy planning and programme management. The University provides opportunities for faculty and research scholars to build their capacity in planning, designing, and conducting research studies.

Research Promotion Policy

To promote the research culture at the University by creating a suitable research eco-system for the faculty, researchers, students, and staff members, a Research Promotion Policy has been developed, and it has been approved by the Board of Management. The policy is effective from April 1, 2022.

Institutional Review Board

The Institutional Committee for Ethics and Review of Research at IIHMR University has been re-constituted as the Institutional Review Board (IRB) for the Protection of Human Subjects with the following members:

Name	Role
Dr. Sonali Sharma Sr. Professor, Department of Biochemistry RUHS College of Medical Sciences, Jaipur <i>Healthcare (Biochemistry)</i>	Chairperson
Dr. Anoop Khanna Professor, IIHMR University <i>Basic Medical Scientist</i>	Member
Dr. Vinod Kumar SV Professor, IIHMR University <i>Clinician</i>	Member
Dr. Jagajeet Prasad Singh Professor, IIHMR University <i>Medical Statistics</i>	Member
Dr. Saurabh Kumar Banerjee Associate Professor, IIHMR University <i>Basic Medical Scientist</i>	Member
Dr. Ratna Verma Associate Professor, IIHMR University <i>Basic Medical Scientist</i>	Member
Mr. Umesh Saraswat Freelancer <i>Legal Expert</i>	Member
Ms. Neeru Khangarot Project Manager, Bhoruka Charitable Trust <i>NGO Representative</i>	Member
Mr. Kamlesh Sharma Layperson	Member

Name	Role
Dr. Anupam Mehrotra Assistant Professor, IIHMR University <i>Public Health (Epidemiology)</i>	Member Secretary

The IRB reviews the research proposals from ethical perspectives of research on human subjects. The IRB follows the ICMR Ethical guidelines for biomedical and social health research on human subjects. During 2024-25, one meeting of IRB was conducted. The meeting was held on June 14, 2024.

Sponsored Research Projects and Studies

The University has undertaken the following research projects and studies sponsored by various governmental and non-governmental agencies during 2024-25:

S No	Title of the Project	Name of the Funding agency	Name of Faculty
1	Study on Assessment of Implementation of Free Diagnostic Initiatives (FDI) in Reducing Out-of-Pocket Expenditure in Rajasthan and Madhya Pradesh	National Health System Resource Centre (NHSRC), Ministry of Health and Family Welfare (MoHFW), Govt. of India	Dr. P.R. Sodani
2	Proposal for Conducting Assessment on Quality of Care Among Community Health Officers (CHOs) for Managing Common Health Conditions Seen in Primary Care Settings in India	National Health System Resource Centre (NHSRC), Ministry of Health and Family Welfare (MoHFW), Govt. of India	Dr. Goutam Sadhu
3	National Family Health Survey-6 (Rajasthan East)	International Institute for Population Sciences (IIPS), Ministry of Health and Family Welfare (MoHFW), Govt. of India	Dr. Neetu Purohit
4	Promoting Millet Consumption in the Tribal Aspirational Blocks of Udaipur District for Nutrition Security of Women and Children for Sustainable Communities Research	Centre for Tribal Development (CTD), MLV Tribal Research & Training Institute, Udaipur, Govt. of Rajasthan	Dr. Varsha Tanu
5	National Family Health Survey-6 (Uttarakhand)	International Institute for Population Sciences (IIPS), Ministry of Health and Family Welfare (MoHFW), Govt. of India	Dr. Neetu Purohit
6	Centre for Behaviour Science	UNICEF	Dr. Mamta Chauhan

S No	Title of the Project	Name of the Funding agency	Name of Faculty
7	To Provide Support to the WCO implementation of a Health Labour Market Analysis (HLMA) in Rajasthan	World Health Organisation (WHO)	Dr. P.R. Sodani
8	A Holistic Assessment of Udaipur's Rock Phosphate Mining's Influence on the Quality of Life (with special focus on Health) of Communities Living in Nearby Villages and Strategies to Enhance their Health & Well-Bing at Udaipur	Rajasthan State Mines & Minerals Limited, Govt. of Rajasthan	Dr. Varsha Tanu
9	Global School Health Survey (GSHS) and Global School Health Practices and Policies Studies (GSHPPS)	World Health Organisation (WHO)	Dr. Nutan Jain
10	Conducting Baseline and Endline Study in 20 Villages of Dadri under Arogya Dadri Project	IPE Global Centre for Knowledge and Development	Dr. Mamta Chauhan
11	Study to Assess the Importance WASH Financing as a Solution to Water and Sanitation in (Odisha)	WATER.org	Dr. Goutam Sadhu
12	Sambalam – Inclusive Education for children with visual impairment in Rajasthan, Bihar and West Bengal	HCLTech Grant (HCL Foundation)	Dr. Himadri Sinha
13	Capacity Building in Health System Research for Researchers -II	GIZ	Dr. P.R. Sodani Ms. Kirti Agarwal
14	External evaluation of the Strengthening the Capacity of Indian Healthcare Workers in gestational diabetes care project implemented by the Maternity Foundation and founded by the World Diabetes Foundation	Maternity Foundation	Dr. P.R. Sodani
15	Assessing the impact of WASH facilities on community in Maharashtra and Madhya Pradesh	WATER.org	Dr. Goutam Sadhu
16	Impact Assessment of the project, Restoring livelihood through rain water harvesting and recharging structures and water productivity enhancement in Karauli, Rajasthan	Dharampal Satyapal Limited	Dr. Ratna Verma

The University has constituted an Internal Quality Assurance Cell (IQAC) to develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the institution. The IQAC aimed to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices. The IQAC is headed by the President of the University and is comprised of internal and external members as given below:

S.No	Name	Role
1	Dr. P.R Sodani President, IIHMR University	Chairperson
2	Dr. Sanjay Gupta Dean, Institute of Health Management Research, IIHMR University	Member
3	Dr. Saurabh Kumar Banerjee Dean, School of Pharmaceutical Management, IIHMR University	Member
4	Dr. Himadri Sinha Dean, School of Development Studies, IIHMR University	Member
5	Dr. Vinod Kumar SV Dean In-charge, SD Gupta School of Public Health, IIHMR University	Member
6	Dr. Arindam Das Professor, IIHMR University	Member
7	Dr. Aarti Sharma Professor of Practice, IIHMR University	Member Secretary
8	Dr. Seema Mehta Professor, IIHMR University	Member
9	Dr. Sandeep Kumar Suhag Registrar, IIHMR University	Member
10	Mr. Prasoon Jain CFAO, IIHMR University	Member
11	Mr. Subhabrata Mitra Head HR, IIHMR University	Member
12	Mr. Rajiv Kumar Pandey Controller of Examinations, IIHMR University	Member
13	Ms. Neeru Khangarot Bhoruka Charitable Trust, Jaipur (Local Society Representative)	Member

14	Dr. Mala Airun Director, Medical Operations, Fortis Escort Hospitals, Jaipur (<i>Industry Representative</i>)	Member
15	Dr. A.K. Agarwal Former Dean, Academics International Institute of Health Management Research, New Delhi (<i>Stakeholder Representative</i>)	Member
16	Dr. Deepti Mohan Joint Director, NABH (<i>Employer Representative</i>)	Member
17	Dr. Suhasani Jain Medical Superintendent, CK Birla Hospital, Jaipur (<i>Alumni Representative</i>)	Member
18	Dr. Srishti MBA- Hospital and Health Management (Batch 2024-26) IIHMR University (<i>Student Representative</i>)	Member

University-Industry Interaction Cell

The University has constituted a University-Industry Interaction Cell to promote the interface between academia and industry. The UIIC is comprised of the following internal and external members:

S.No	Name	Role
1	Dr. P.R Sodani President, IIHMR University	Chairperson
2	Dr. Sanjay Gupta Proctor & Dean - IHMR, IIHMR University	Member
3	Dr. Vinod Kumar SV Dean In-charge, S D Gupta School of Public Health, IIHMR University	Member
4	Dr. Saurabh Kumar Banerjee Dean, School of Pharmaceutical Management IIHMR University	Member
5	Dr. Himadri Sinha Dean In-Charge, School of Development Studies IIHMR University	Member
6	Dr. Arindam Das Professor, IIHMR University	Member
7	Dr. Sandeep Kumar Suhag Registrar, IIHMR University	Member
8	Mr. Vinod Tejwani Dean, Placement & Alumni Relations, IIHMR University	Member Secretary
9	Mr. Mahipal Singh Bhanot Business Head, Fortis Hospital, New Delhi	Member
10	Mr. Sidharth Dutta Partner, Advisory Services, Ernst and Young (E&Y) LLP, Noida	Member
11	Mr. Udayan Lahiry Co-Founder & Joint Managing Director, Medica Super Specialty, Kolkata	Member

Mr. Intesar Alam participated in the Faculty Development Programme on Conceptualizing, Designing, and Developing Research Proposals, organised by IIHMR University, Jaipur, March 24-28, 2025.

Ms. Soni Kumari participated in the Faculty Development Programme on Conceptualizing, Designing, and Developing Research Proposals, organised by IIHMR University, Jaipur, March 24-28, 2025.

11. Networking Initiatives

Visit to Nepal (29 April – 04 May 2024)

A delegation from IIHMR University visited Nepal on 29 April - 04 May 2024 to explore collaborations in academics, research, and training. During the visit, the team interacted with Dr. Janak Thapa, Executive Director, Nepal Public Health Research and Development Centre (PHRD Nepal), Dr. Shambhu Kumar Upadhyay, Director, Public Health Concern Trust (PHECT Nepal), and Mr. Rajiv Duwedi at Kantipur Dental College and Dental Hospital. The discussions focused on joint research initiatives in public health epidemiology, capacity-building training programs for healthcare professionals, and student/faculty exchange opportunities.

The visit marked a significant step in strengthening international outreach and building future partnerships in public health, with preliminary agreements outlined for collaborative projects addressing regional health challenges.

Visit to Bhutan (May 30 - June 04, 2024)

IIHMR University delegation visited Bhutan from May 30 to June 04, 2024, to forge strategic partnerships and bolster health sector collaborations in public health management, research innovation, and capacity building. The team engaged in productive meetings with Bhutan's Health Secretary, the President of Khesar Gyalpo University of Medical Sciences, and senior WHO Bhutan representatives to discuss policy alignment, executive training, joint degrees, student exchanges, mountain health research, global health security, and digital integration. The visit

highlighted Bhutan's model of embedding cultural heritage into healthcare, featuring community wellness, traditional medicine, and holistic mental health approaches. Outcomes included plans for 2025 workshops and research MoUs, advancing IIHMR's role in regional health diplomacy.

Visit to USA (June 12 – 13, 2024)

Dr. P.R. Sodani, President, IIHMR University, led a team to the USA for Coursera's Future of Higher Education Summit on June 12–13, 2024, at Coursera Headquarters in Mountain View, California. The event gathered leaders from over 25 countries to discuss the impact of generative AI on higher education, curriculum development, and institutional strategies, featuring an insightful keynote by Coursera CEO Jeff Maggioncalda. During the event, Dr. Sodani highlighted IIHMR's new academic programs, potential faculty exchanges, and opportunities for collaborative certificate courses designed to enhance global health education. He also had notable discussions with Prof. Marie Diener-West and Prof. Ellen J. MacKenzie to explore further collaboration in the MPH program and other areas under the existing MOU.

12. Institutional/Extra-Curricular Activities

During 2024-25, the University celebrated the following events:

Orientation Session, April 1, 2024

IIHMR University hosted an orientation session organized by the United States Educational Foundation (USIEF), Fulbright Commission, India, on April 01, 2024, emphasizing cross-program participation and the institution's inclusive academic approach.

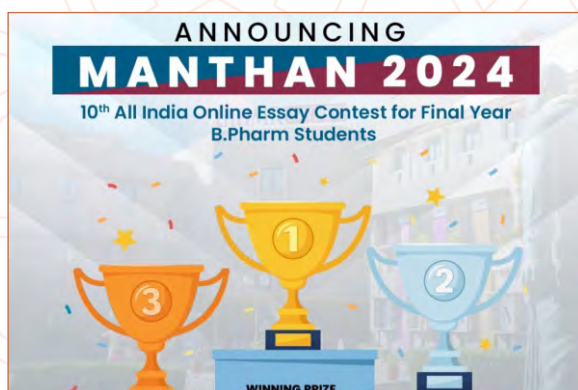

Poster Making Competition April 15, 2024

15. Financial Systems

The University is an autonomous incorporated body. In pursuance of section 6 of The IIHMR University, Jaipur Act, 2014, the University manages its finances through its resources like research projects, educational programmes, and training. The University is a self-financed organization and does not receive any grant or other financial assistance from the State Government.

Accounting and Financial Procedures

IIHMR University has approved Accounting and Financial Procedures, and all activities and tasks of the Finance and Accounts Department are performed in accordance with the Accounting and Financial Procedures. There are adequate checks and balances to insulate the organization from misappropriation and misuse of financial resources. The accounting procedures adequately provide efficient management of university funds and assets. The procedures also manifestly depict the responsibilities of persons managing the finance and budget. The Finance and Accounts Department adheres to the university's accounting procedures.

Annual Budgeting

The University prepares its Annual Budget every year. For the Financial Year 2025-26, the Annual Budget has been prepared based on a participatory process involving the Registrar, Deans, Faculty Members, and Heads of Department (Administration, Finance, IT, Library, etc.). Each administrative and academic vertical conducted detailed assessments of the enabling and mitigating factors that are likely to shape the coming financial year's budgetary projections. The result is the proposed budget. The separate budgeting of the schools has brought more accountability and awareness about the resource generation at the school-level. This exercise will strengthen the self-sustaining character of the University.

Audited Financials of the IIHMR University

IIHMR University, Jaipur

Established under The IIHMR University Act, 2014(Act No. 3 of 2014)

Notes forming part of the Financial Statements for the year ended, 31st March, 2025

Note - 1 Brief about the entity, significant accounting policies and notes to accounts

- 1.1 IIHMR University, Jaipur was established and incorporated by the Government of Rajasthan under the IIHMR University Act, 2014 (Act No. 3 of 2014), which was passed by the State Legislature on February 07, 2014. The Act received the assent of the Governor on February 25, 2014, and was notified in the Rajasthan Gazette on February 26, 2014.
- 1.2 **Method of accounting**
The method of accounting followed by the University is the accrual system of accounting.
- 1.3 **Fixed assets**
The gross block of fixed assets is shown at the cost of acquisition.
- 1.4 **Investments**
Investments are stated at purchase cost. Considering them as long-term investment, no short-term fluctuating deficit/gain has been accounted for.
- 1.5 **Depreciation**
Depreciation on fixed assets is provided using the written down value method, as per the rates prescribed in Part-C of Schedule II of the Companies Act, 2013, as amended up to date.
- 1.6 **Retirement benefits to employees**
The University's liability for retirement benefits in the form of provident fund, gratuity, and leave encashment is charged to the expenditure account. Out of the total gratuity liability of ₹ 2,30,22,494/-, a part gratuity liability of ₹ 1,44,25,894/- is covered by a group gratuity scheme policy issued by the Life Insurance Corporation of India. The balance liabilities will be covered in due course of time.
- 1.7 The IIHMR University, Jaipur is an approved charitable institution by the Commissioner of Income Tax (exemption) u/s 12AA (1)(b) of the Income Tax Act, 1961 vide Registration Number AAAJ0480NE20214 dated 31/05/2021 up to A.Y. 2026-27.
- 1.8 Overdraft limit, and Bank Guarantee limit from Kotak Mahindra Bank Ltd as of March 31, 2025, are secured against the first and exclusive charge by way of equitable mortgage of immovable property being Land and Building situated at 1, Prabhu Dayal Marg, Sanganer Airport, 302029, and all existing and future receivables/current assets and movable assets, and guaranteed by Indian Institute of Health Management Research (Sponsoring Body). FDRs amounting to ₹ 65,87,272/- are pledged against outstanding Bank guarantees of ₹ 2,63,30,377/-.
- 1.9 The University has not received any information from its creditors regarding their status as registered Micro, Small, and Medium Enterprises (MSMEs). Furthermore, no claims for interest under section 16 of the MSMED Act have been received from any supplier covered under the MSMED Act.
- 1.10 The provision for the deferred tax for timing difference (as per ICAI Accounting Standard-22) on account of depreciation difference and profit and loss has not been made as the income of the university is exempt u/s 12A of the Income Tax Act, 1961.
- 1.11 Balance Sheet and Income & Expenditure for the financial year 2024-2025 has been prepared as per the technical guidance note issued by the Institute of Chartered Accountants of India to the extent possible and applicable to the University.
- 1.12 **Contingent liabilities:**
Indian Institute of Health Management Research (Sponsored body of IIHMR University, Jaipur) has applied for a grant of exemption u/s 17(1) of the EPF & Misc. Provisions Act, 1952, in the year 2009. Further, an inquiry under Section 7A of the EPF & Misc. Provisions Act, 1952, is ongoing against Indian Institute of Health Management Research (Sponsored body of IIHMR University, Jaipur), and a provisional liability of ₹ 11,26,15,480 ascertained, out of which ₹ 6,86,11,107/- pertains to old employees of Indian Institute of Health Management Research who were transferred to IIHMR University, Jaipur. Indian Institute of Health Management Research has filed a writ petition before the High Court of Rajasthan. The matter is subjudice and we are hopeful of getting the matter settled in favour of the Indian Institute of Health Management Research; hence, no provision has been made.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF "IIHMR UNIVERSITY, JAIPUR"

Report on the Financial Statement

We have audited the accompanying financial statement of "IIHMR UNIVERSITY, JAIPUR" which comprises the Balance Sheet as of 31st March 2025, the Statement of Income & Expenditure for the year ended on that date.

Management's Responsibility for the Financial Statements

The University's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, and financial performance of the University in accordance with the Accounting Standards, as applicable to the University and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India: -

- (a) In the case of the Balance Sheet, of the state of affairs of the University as of 31st March 2025.
- (b) In the case of the Statement of Income and Expenditure, of the excess of income over expenditure for the year ended on that date.

Report on other Legal and Regulatory Requirements

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion proper books of accounts as required by law have been kept by the University so far as appears from our examination of those books.
- (c) The Balance Sheet and the Statement of income and expenditure dealt with by this Report are in agreement with the books of accounts.
- (d) The University does not have any pending litigation which would impact its financial position.
