VAC: Discovery Interviews & Psychometric Assessment

Course Title	Course Code	Duration of course	Academic Year
Discovery Interviews & Psychometric Assessment	DIPA03	35 hrs. 45 minutes	2022-23

Learning Objectives

The Learning Objectives of this course are as follows:

- To facilitate a holistic understanding of individuals' strengths, weaknesses, interests, values, and personality traits.
- To support individuals in making informed decisions about their career paths and personal development goals.
- To develop personalized development plans that capitalize on individuals' strengths and address areas for improvement.

Learning outcomes

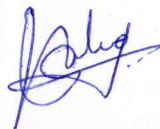

The Learning Outcomes of this course are as follows:

- Participants may develop enhanced self-understanding and gain clarity about their career goals through discovery interviews and psychometric assessments.
- Discovery interviews provide individuals with opportunities to explore different career options, gather information about various industries or roles, and network with professionals in their fields of interest.
