Dear Vinod ji,

I hope this message finds you well.

As discussed, I am sharing an update regarding Dr. Ananya Saini, who was recently interviewed and selected for the Global Business Development role.

We had extended an offer with a CTC of ₹4.0 LPA, inclusive of incentives, along with additional benefits such as global exposure, Mediclaim, and leave entitlements. Dr. Saini had confirmed her joining date as 11th November, as indicated in the previous communication. However, she has now informed us of her inability to join due to unforeseen family circumstances (her father's health). Despite this, as a responsible and understanding employer, we have requested her to provide a final confirmation by Wednesday.

While we empathize with her situation, we also wish to express our concern regarding the sudden change in her decision. If the stated reason is not accurate, it reflects unprofessional conduct, which impacts our planning and overall hiring process. As a growing organization, we strive to support and provide opportunities to deserving

candidates, but such instances leave a negative impression and may influence our future participation in similar campus hiring activities.

We request your kind support in addressing this matter and ensuring that our mutual engagement aligns with professionalism and commitment.

What Kinds of Loans Are Acceptable?

If you are a Covered Person, you and your immediate family members may not obtain loans from SEC financial institution audit clients for which you are a Covered Person. However, certain types of loans are permitted and other loans already in existence may be grandfathered. Personal loans from SEC audit clients of the Company are not permitted for all Covered Persons. These loans cannot be grandfathered.

benefit plans may affect your independence.

* Dependents are persons and/or their spouses who received more than 50% of their financial support in the past 12 months from you.

In certain instances your ' **close family members** ' —immediate family members plus your non-dependent parents, non-dependent children and siblings—are also subject to the independence rules. A close family member's employment with an audit client in an accounting role or a financial reporting oversight role, a material and known investment in, or control of an audit client, may impair the Company's independence.

What Kinds of Investments Are Prohibited For a 'Member of the Company'?

As a Member of the Company, you (and your immediate family members) generally may not own (or be committed to acquire) any direct or material indirect financial interest in a restricted entity. Examples of financial interests include equity and preference shares, debentures, bonds and deposits, shares in a mutual fund, partnership units, stock rights, options or warrants to acquire an interest in an entity, or rights of participation such as puts, calls, or straddles.

In addition:

- If you own or your immediate family member owns shares in a mutual fund that is an audit client or in a non-client mutual fund that is advised, sponsored, or managed by an audit client or a subsidiary of an audit client for which you are a Covered Person, you have a direct financial interest in that client, and that is prohibited.

- You are not permitted to join an investment club, or participate in a Portfolio Management Scheme. Similarly, you may not invest in controlled joint ventures or partnerships unless those entities follow the Company's independence rules with respect to their investments.

- Beneficial interests in trusts and interests in retirement plans or stock option plans of former employers are subject to the restrictions applicable to financial interests.

'**Member of the Company**' - You are a Member of the Company if you are a partner or a director or a client facing professional, including senior manager, manager or employee or any other professional who directly markets services, or who consults with an engagement team on a client-specific matter. This includes people who do not face clients directly but deal with client related data from afar. The only exception to these rules are staff who join Administration, Finance function etc. below the level of Director.

If you are a Member of the Company you will be restricted from investing in, and receiving loans from or making loans to, restricted entities. Members of the Company may invest in mutual funds if they are not Covered Persons.

Please note that the term '**Member of the Company**' also includes your immediate family members (spouse and dependents). Details are under - **When Is My Family Subject to the Rules**?

'**Covered Person**' - You are a Covered Person with respect to a specific client if you (1) participate in the audit engagement, (2) are in the Company's **Chain of Command** with respect to the audit engagement; (3) are a partner, director or professional employee having managerial responsibilities who (a) has provided 10 hours or more of non-audit professional services to the audit client for the period beginning on the date such services are first provided and ending on the date of the auditors' report on the financial statements for the fiscal year during which those services are provided, or (b) expects to provide any non-audit professional services to the audit client on a recurring basis; or (4) are a partner or client facing director in the same ' **office** ' in which the lead audit engagement partner primarily practices in connection with the audit engagement at an issuer level. The term 'Covered Person' also includes immediate family members, as explained in the section titled 'When Is My Family Subject to the Rules?' The Covered Person concept applies to bank accounts, brokerage accounts, insurance products, credit cards, housing and student loans, employment relationships of your family, investments of your spouse or dependents in their employee benefit plans of restricted entities, and investment in mutual funds.

When Is My Family Subject to the Rules?

If you are a Member of the Company or a Covered Person, your spouse, spousal equivalent and dependents * , whether or not related, are also considered Members of the Company or Covered Persons. These individuals are called ' **immediate family members** ' in the independence rules and they are subject to the same independence rules that apply to you. This means their investments, loans, all bank accounts, current and savings accounts, brokerage accounts, insurance policies, credit card balances, spouse or dependent employee

INDEPENDENCE REQUIREMENTS FOR NEW JOINERS

What is independence and why is it so important?

Do the independence rules apply to me?

When is my family subject to the rules?

What kinds of investments are prohibited for a 'Member of the Company'?

What kinds of loans are acceptable?

What Is Independence and Why Is It so Important?

Auditor Independence avoids interests and relationships that might impair objectivity. The SEC, PCAOB, IESBA, AICPA, ICAI and other regulators/oversight bodies have developed basic standards for determining independence. These standards apply to our audit clients.

Do the Independence Rules Apply to Me?

Independence rules apply to all employees, directors and partners of the Company. However not all of the rules apply to everyone; so it is necessary to understand the independence rules that apply to you.

Please note that all client-facing personnel in the Company, their spouses and dependents are governed by the independence policies of the Company that include restrictions on investments in, and loans to or from, restricted entities. Investments include shares, debentures, bonds, mutual funds, portfolio management schemes, etc. In addition you may have restrictions on other financial interests with restricted entities on insurance policies, credit cards, loans, brokerage and bank accounts and spouse and dependent benefit plans. New Joiners should be in compliance with the Independence policies within 14 days of joining.

Two important technical terms identify those persons who need to maintain independence with respect to the Company's clients. They are ' **Member of the Company** ' and ' **Covered Person** ' . As you will see, all Covered Persons are also Members of the Company, but all Members of the Company may or may not be Covered Persons.

2. *Pre-existing Agreements or Arrangements.* I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Agreements or Arrangements*. The Employer expects me to abide by all restrictions or obligations that are contained in such Pre-existing Agreements or Arrangements and to avoid involvement, while employed by the Employer, in any matter that could pose a conflict as a result of confidential information or intellectual property obtained by me prior to my *Employment*. 3. Reporting of *Proceedings.* Except as provided by law and except as I have disclosed in writing on **Exhibit C** to this Agreement, I represent and warrant that I have no *Proceedings* to report. Should I become a subject of any *Proceedings* during my association with the Employer, I agree to immediately report, in writing, all relevant facts to the Chief Talent Officer of Deloitte LLP, the Regional Talent Director of the Employer, and the Chief Ethics and Compliance Officer of Deloitte LLP. I understand that my responses are subject to audit and review by the Employer and others in accordance with applicable professional, ethical, legal, or Employer requirements, rules, regulations, policies, or practices, or other requests.

4. Confidentiality. I acknowledge that, by virtue of my *Employment*, I will acquire and be exposed to, have access to, make use of and/or create *Confidential Information*. Therefore, I agree to hold in trust and confidence all such *Confidential Information*. I will neither disclose any such *Confidential Information* to anyone outside a *Deloitte Entity* without the prior written approval of an *Authorized Signatory*, except as required by my authorized duties for the Employer, nor use any such *Confidential Information* for any purpose other than for the benefit of a *Deloitte Entity*.

5. Third Party Information and Property. I agree that during my *Employment*, I shall not use or disclose any confidential information or intellectual property of any former employer or other person or entity without the prior written authorization of such employer, person or entity and the prior written consent of an *Authorized Signatory*. If I were to use or disclose any such Confidential Information or Intellectual Property without prior consent, and any of the *Deloitte Entities* become the subject of any claim from a third party regarding such unauthorized use or disclosure, I agree to hold harmless and indemnify the *Deloitte Entities* for any legal defense costs and/or damages related to any such claim.

6. Authorization. Only employees of the Employer holding a senior or managerial position with the Employer will be authorized by a specific authorization, delegation, or power of attorney to sign legal documents, representing the Employer. Similarly, only such authorized employees of the Employer may speak about the Employer, the business and plans, various client-related projects etc.

7. Competing Activities and Conflict of Interest. During the period of my *Employment* I will not, directly or indirectly, participate in or in any way render services or assistance to any business that is or may be competitive with a *Deloitte Entity*, whether or not for compensation, or engage in any conduct which might result in, or create the appearance of using my position for private gain or other than for the benefit of a *Deloitte Entity*, or otherwise create a conflict, or the appearance of a conflict, of interest with a *Deloitte Entity*. Such conduct shall include, but not be limited to, having an undisclosed financial interest in any vendor or supplier of a *Deloitte Entity*, accepting payments of any kind or gifts other than of a nominal value from vendors, clients or suppliers, or having an undisclosed relationship with a family member or other individual who is employed or associated with any entity in active or potential competition with a *Deloitte Entity*, and which creates a conflict of interest. represent and warrant that I am not currently aware of any present or past violation of this provision.

8. *Authorization to Access Systems and Electronic Communications and use of Deloitte Property.* I understand that while employed with a *Deloitte Entity*, I will use and have access to the Systems. I also acknowledge that a*Deloitte Entity* has the right at any time to access, retrieve, delete, monitor, examine, use and/or disclose my Electronic Communications and information from (or about) me and the content, without notice to me, and that such *Electronic Communications* are considered part of a *Deloitte Entity's* business and client records and are not to be considered private or personal to me or any other *Personnel*. I further acknowledge that this right extends to*Electronic Communications* transmitted for either a business or personal purpose.

I agree that I am authorized to access the *Systems* only for approved business purposes and occasional personal use if such use does not interfere with my work responsibilities and other required business activities, business operations, or *Systems* performance. However, I also acknowledge that such occasional personal use does not create an expectation of privacy as to any of my personal *Electronic Communications* and, as such, are *Deloitte Property*.

I further acknowledge that I am not authorized to use the*Systems* for personal gain or any illegal or unethical use. I agree that under no circumstances am I authorized to access any of the *Systems* for the purpose of obtaining *Deloitte Property* for a competitor of a *Deloitte Entity*, transmitting *Deloitte Property* to me (e.g., emailing *Confidential Information* to my personal email address) or to a third party for purposes other than furthering the business objectives of a *Deloitte Entity*. I am not authorized to download a *Deloitte Entity's Confidential Information* or other *Deloitte Property* to removable media such as a CD Rom, disk or thumb drive other than as authorized for furthering the business objectives of a *Deloitte Entity*.

I will be responsible for the safe keeping and return in good condition and order of all the*Deloitte Property* that may be in my use, custody, care or charge. For the loss of any *Deloitte Property* in my possession or custody or for which I have been assigned responsibility, the Employer will have a right to assess on its own basis and recover from me, the damages in respect of such materials (out of the amounts due to me or otherwise) and to take such other legal action as it deems appropriate including termination of my employment without notice or payment in lieu thereof in the event of my failure to account for such material or property to its satisfaction.

9. *Security.* I am provided with a worktable and lockable storage space. I will ensure they are locked when unattended and understand that a duplicate key will only be provided if I sign for it. I am required to display my identity card to the appropriate security personnel on demand and at all times within the office premises.

10. Ownership of *Works*.

a. I agree that the Employer owns all rights, title and interest in and to all *Works*.

b. I agree that all *Works* are deemed works made for hire under India copyright or applicable laws or equivalent laws of any applicable foreign jurisdiction, and all *Intellectual Property Rights* therein vest automatically in the Employer upon creation of the *Works*. I agree that, to the extent any *Work* is held not to be a work made for hire, I hereby irrevocably assign all *Intellectual Property Rights* in the *Work* to the Employer. Notwithstanding anything contained in Section 19(4) of the Indian Copyright Act, 1957, I agree that such assignment shall continue to be in force for perpetuity irrespective of whether or not the Employer exercises its rights as the assignee for any period of time.

c. I will at all times, even after termination of my *Employment*, do whatever the Employer reasonably requests of me, at the Employer's expense, to document the assignment of any *Works* to the Employer or to assist the Employer in pursuing, renewing, extending or assigning any *Intellectual Property Rights*, and otherwise perfecting, protecting and enforcing said *Intellectual Property Rights* in, any *Works*. I agree that, as between me and the Employer, the Employer shall be the sole author, inventor, and owner of all such *Works* and *Intellectual Property Rights* therein throughout the world, and that the Employer shall have the sole right to seek copyright registrations, patents or trademark registrations, including all extensions and renewals thereof. I also hereby agree that I waive all moral rights in any *Works*.

I also agree to assign all my right, title and interest in and to any particular*Works* to a third party as directed by the Employer.

In the event the Employer is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraphs, I hereby irrevocably designate and appoint the Employer and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraphs with the same legal force and effect as if executed by me. I hereby waive any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any *Works* assigned hereunder to the Employer.

d. During a 12 month period after termination of my *Employment*, I agree that any *Intellectual Property* I create or conceive that results from and is related to any work assigned to or performed by me for the Employer, or that was created using *Deloitte Property*, is a *Work* that is subject to Paragraph 10 (b) above. For purposes of clarification, the foregoing provision is in addition to, and not in limitation of, any rights and remedies the Employer may have under the applicable laws protecting *Intellectual Property* of the *Deloitte Entities*.

e. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Employer) of all *Works* developed by me during the period of my employment with the Employer, which records shall be available to and remain the sole property of the Employer at all times.

11. *Pre-existing Creations*; *Personal Creations*. My obligations in Paragraph 10 do not apply to *Pre-existing Creations* and *Personal Creations*. I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Creations*. I acknowledge and agree that I will not assert any ownership rights against the *Deloitte Entities*, or their respective clients, with respect to any *Pre-existing Creations* unless they appear on **Exhibit B,** and **Exhibit B** has been accepted and agreed to by an *Authorized Signatory* who has signed at the bottom of such **Exhibit B**. I further agree that I shall not use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment* without the prior written consent of an *Authorized Signatory*. To the extent that I use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment*, I agree that, except as otherwise provided in a written agreement executed by me and the Employer, I hereby grant to the Employer an irrevocable, royalty free, perpetual, fully paid up, transferable, sub-licensable license to use, reproduce, distribute, display, perform, modify and create derivative works of and otherwise exploit such *Pre-existing Creations* or *Personal Creations* for any purpose including, but not limited to, client engagements.

12. Post- *Employment* Restrictions re: Clients. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, during the period of my *Employment* and for a period of one year thereafter, I will not, directly or indirectly, solicit or provide services to any existing client of a *Deloitte Entity* with which I had personal contact and provided services during the two-year period prior to termination of my *Employment*.

13. Exceptions to Post- *Employment* Restrictions re: Clients. I understand that the obligations of Paragraph 12 will not apply for a period of three (3**)** years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.

14. Future Employment with Clients. Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities* remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. Restrictions re: *Personnel* and Contractors. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring or of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention, would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated;(b) participate in the hiring or admission of any *Personnel*; or (c) cause a contractor of a *Deloitte Entity* to cease providing services to, with, or on behalf of the *Deloitte Entity*.

16. Post- *Employment* Restrictions re: *Deloitte Property*. Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d)I agree to allow a *Deloitte Entity* to inspect

any of my personal or home computers, including smart phones, tablet computers, or any device, media or location capable of storing electronic data, to determine whether any *Deloitte Property* resides on such computers and to permit a Deloitte Entity to remove such *Deloitte Property*.

OTHER POST- *EMPLOYMENT* OBLIGATIONS

17. Transition of Work and Cooperation. Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licenser of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.

18. Notification of Post- *Employment* Obligations. I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.

19. Certification. I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15 and 16 of this Agreement.

OUR ENFORCEMENT RIGHTS AND REMEDIES IN THE EVENT OF A BREACH

20. Equitable Relief and Attorney's Fees. I acknowledge and agree that a breach of this Employment Agreement, including, but not limited to, a breach of my duties and obligations under the terms and conditions of Paragraphs 4, 5, 7, 8, 9, 10, 12, 14, 15 or 16 would cause irreparable harm to the *Deloitte Entities* and that, in addition to other remedies, the Employer on behalf of itself or another *Deloitte Entity* is entitled to a temporary restraining order, an injunction or other equitable relief to prevent any such breach. I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15, to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. Liquidated Damages: Client Fees. I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtima, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

22. Liquidated Damages: Compensation. I agree that the precise amount of damages flowing from a breach under Paragraph 15 would be impracticable or extremely difficult to ascertain in an actual amount. Therefore, I agree that in the event of a breach under Paragraph 15, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtime, bonuses, and sales incentives, received by or owed to any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

23. Right of Inspection. I agree to permit the Employer (or to use my best efforts to enable the Employer) to inspect my books and records (and the books and records of any entity which employs or is associated or affiliated with me), upon request and at reasonable times, to enable the Employer to confirm the calculations described above and to verify compliance with Paragraphs 12 and 15. The Employer shall keep confidential any proprietary information obtained, except as may be necessary or desirable to enable the Employer to enforce its rights under this Employment Agreement and except as may be required by any statute, court or administrative order to decree or government ruling or regulation.

27. Blue-Penciling. If any court determines that any provision of this Employment Agreement, or any part hereof, or the application of any such provision, or any part hereof, to any person or circumstance is unenforceable or void, such court shall have the power to modify such provision, or any part hereof, to the extent necessary to render it legal and enforceable while preserving its intent, or if such modification is not possible, by substituting therefore another provision that is legal and enforceable and that achieves the same objective.

28. Waiver. None of my obligations under this Employment Agreement shall be deemed to have been waived by the Employer except if the giving of such waiver is contained in a written notice given to me and no such waiver shall be deemed to be a waiver of any other or further obligation I have under this Employment Agreement.

In the event of a conflict between this Employment Agreement and the employment application or any other document purporting to set forth terms and conditions of my *Employment*, this Employment Agreement will control.

All provisions of this Employment Agreement shall inure to the benefit of and be binding upon the respective heirs, executors, administrators, representatives, successors, and assigns of the Employer and me, and any *Deloitte Entity* to which I may be transferred during my *Employment*, provided, however, none of my duties or obligations under this Employment Agreement may be assigned or transferred by me to any other person or entity without the Employer's prior written approval of such assignment or transfer. Any purported assignments in violation of this Paragraph 30 shall be null and void.

Terms and Conditions of Service

In continuation to our offer of employment with **Deloitte Consulting India Private Limited** (the "Employer"), please note the terms and conditions of service.

The italicized terms in these Terms and Conditions of Service are defined in **Exhibit A** of the Non-Disclosure, Non-Solicit and Intellectual Property Rights Assignment Agreement hereto.

Terms of Service

1. COMPLIANCE WITH INDEPENDENCE, ETHICS AND OTHER REQUIREMENTS

Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. Any relationships or holdings that conflict with, among other things, the requirements of the SEC, the PCAOB or the AICPA or the independence or ethics policies of the Deloitte US Entities will need to be resolved immediately. Further, you will be required to comply with these policies throughout your career with the Employer, including, when applicable, maintaining a current list of certain of your financial interests (but not their value) in the independence tracking system.

As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.

Dear Dr.(Ms.) Ingle Rachana Raju,

Congratulations! You've landed on Cloudnine!

We are delighted to offer you the position of **"Asst. Manager - Operations"** in the **"Center Management Team"** department.

On Cloudnine, we are continually scouring the country for bright, young talent who can infuse our brand with new blood, energy and spirit. We are a community of vibrant minds and kindred souls. We pride ourselves on being an organization that is equally outward and inward looking, channeling the energies harboured within us to our customers and well-wishers.

Our brand is also deep-seated in a guiding trinity we've christened the 3C's: comprehensive care, clinical excellence and celebration. These principles lead the Cloudnine way beautifully, marrying superior care with little flashes of delight. Just as surely as the 3Cs are exemplified towards guests, they are mirrored towards employees. Our organization is rooted in superlative employee satisfaction and care, and the celebration of milestones big and small. Our work is tightly tethered to passion and play, and we love what we do. We cherish each day, and we want you to do the same.

Dear Sir,

I wanted to clarify that the PO salary band is not fixed to the one I mentioned. It is open to negotiations. However, the fellow salary is fixed to 7 LPA.

Further, due to certain constraints we will not be able to visit your campus. Thus, we would conduct the process online. I will get back to you with the final dates as soon as possible.

Thank you
Aishwarya

12. Post- *Employment* Restrictions re: Clients. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, during the period of my *Employment* and for a period of one year thereafter, I will not, directly or indirectly, solicit or provide services to any existing client of a *Deloitte Entity* with which I had personal contact and provided services during the two-year period prior to termination of my *Employment*.

13. Exceptions to Post- *Employment* Restrictions re: Clients. I understand that the obligations of Paragraph 12 will not apply for a period of three (3**)** years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.

14. Future Employment with Clients. Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities* remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. Restrictions re: *Personnel* and Contractors. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring or of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention, would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated;(b) participate in the hiring or admission of any *Personnel*; or (c) cause a contractor of a *Deloitte Entity* to cease providing services to, with, or on behalf of the *Deloitte Entity*.

16. Post- *Employment* Restrictions re: *Deloitte Property*. Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d)I agree to allow a *Deloitte Entity* to inspect

Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licenser of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.

18. Notification of Post- *Employment* Obligations. I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.

19. Certification. I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15 and 16 of this Agreement.

I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15**,** to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. Liquidated Damages: Client Fees. I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtima, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

22. Liquidated Damages: Compensation. I agree that the precise amount of damages flowing from a breach under Paragraph 15 would be impracticable or extremely difficult to ascertain in an actual amount. Therefore, I agree that in the event of a breach under Paragraph 15, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtime, bonuses, and sales incentives, received by or owed to any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Terms and Conditions of Service

In continuation to our offer of employment with **Deloitte Consulting India Private Limited** (the "Employer"), please note the terms and conditions of service.

The italicized terms in these Terms and Conditions of Service are defined in **Exhibit A** of the Non-Disclosure, Non-Solicit and Intellectual Property Rights Assignment Agreement hereto.

Terms of Service

1. COMPLIANCE WITH INDEPENDENCE, ETHICS AND OTHER REQUIREMENTS

Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. Any relationships or holdings that conflict with, among other things, the requirements of the SEC, the PCAOB or the AICPA or the independence or ethics policies of the Deloitte US Entities will need to be resolved immediately. Further, you will be required to comply with these policies throughout your career with the Employer, including, when applicable, maintaining a current list of certain of your financial interests (but not their value) in the independence tracking system.

As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.

I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Creations*. I acknowledge and agree that I will not assert any ownership rights against the *Deloitte Entities*, or their respective clients, with respect to any *Pre-existing Creations* unless they appear on **Exhibit B,** and **Exhibit B** has been accepted and agreed to by an *Authorized Signatory* who has signed at the bottom of such **Exhibit B**. 12. Post- *Employment* Restrictions re: Clients. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, during the period of my *Employment* and for a period of one year thereafter, I will not, directly or indirectly, solicit or provide services to any existing client of a *Deloitte Entity* with which I had personal contact and provided services during the two-year period prior to termination of my *Employment*.

13. Exceptions to Post- *Employment* Restrictions re: Clients. I understand that the obligations of Paragraph 12 will not apply for a period of three (3) years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.

14. Future Employment with Clients. Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities* remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. Restrictions re: *Personnel* and Contractors. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring or of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention, would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated;(b) participate in the hiring or admission of any *Personnel*; or (c) cause a contractor of a *Deloitte Entity* to cease providing services to, with, or on behalf of the *Deloitte Entity*.

16. Post- *Employment* Restrictions re: *Deloitte Property*. Date: **Mar 16, 2024**

Dear Mr. Siddharth Sharma,

Congratulations! You've landed on Cloudnine!

We are delighted to offer you the position of **"Asst. Manager - Operations"** in the **"Center Management Team"** department.

On Cloudnine, we are continually scouring the country for bright, young talent who can infuse our brand with new blood, energy and spirit. We are a community of vibrant minds and kindred souls. And we'd love for you to be a part of it. We found that your experience and outlook meshes well with the skill sets we are looking for in this role, and we look forward to the value that you can add to our organization.

As and on Cloudnine, our organizational fabric is seamed together by four intrinsic values: Respect, Innovation, Customer Centricity and Integrity. We pride ourselves on being an organization that is equally outward and inward looking, channeling the energies harboured within us to our customers and well-wishers.

Our brand is also deep-seated in a guiding trinity we've christened the 3C's: comprehensive care, clinical excellence and celebration. These principles lead the Cloudnine way beautifully, marrying superior care with little flashes of delight. Just as surely as the 3Cs are exemplified towards guests, they are mirrored towards employees. Our organization is rooted in superlative employee satisfaction and care, and the celebration of milestones big and small. Our work is tightly tethered to passion and play, and we love what we do. We cherish each day, and we want you to do the same.

14. Future Employment with Clients. Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities* remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. Restrictions re: *Personnel* and Contractors. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring or of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention, would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated;(b) participate in the hiring or admission of any *Personnel*; or (c) cause a contractor of a *Deloitte Entity* to cease providing services to, with, or on behalf of the *Deloitte Entity*.

16. Post-*Employment* Restrictions re: *Deloitte Property*. Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d) I agree to allow a *Deloitte Entity* to inspect

any of my personal or home computers, including smart phones, tablet computers, or any device, media or location capable of storing electronic data, to determine whether any *Deloitte Property* resides on such computers and to permit a Deloitte Entity to remove such *Deloitte Property*.

OTHER POST- *EMPLOYMENT* OBLIGATIONS

17. Transition of Work and Cooperation. Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licenser of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.

18. Notification of Post- *Employment* Obligations. I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.

19. Certification. I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15 and 16 of this Agreement.

OUR ENFORCEMENT RIGHTS AND REMEDIES IN THE EVENT OF A BREACH

20. Equitable Relief and Attorney's Fees. I acknowledge and agree that a breach of this Employment Agreement, including, but not limited to, a breach of my duties and obligations under the terms and conditions of Paragraphs 4, 5, 7, 8, 9, 10, 12, 14, 15 or 16 would cause irreparable harm to the *Deloitte Entities* and that, in addition to other remedies, the Employer on behalf of itself or another *Deloitte Entity* is entitled to a temporary restraining order, an injunction or other equitable relief to prevent any such breach. I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15, to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. Liquidated Damages: Client Fees. I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtima, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

22. Liquidated Damages: Compensation. I agree that the precise amount of damages flowing from a breach under Paragraph 15 would be impracticable or extremely difficult to ascertain in an actual amount. Therefore, I agree that in the event of a breach under Paragraph 15, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtime, bonuses, and sales incentives, received by or owed to any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

23. Right of Inspection. I agree to permit the Employer (or to use my best efforts to enable the Employer) to inspect my books and records (and the books and records of any entity which employs or is associated or affiliated with me), upon request and at reasonable times, to enable the Employer to confirm the calculations described above and to verify compliance with Paragraphs 12 and 15. The Employer shall keep confidential any proprietary information obtained, except as may be necessary or desirable to enable the Employer to enforce its rights under this Employment Agreement and except as may be required by any statute, court or administrative order to decree or government ruling or regulation.

MISCELLANEOUS

24. Governing Law; Choice of Forum. This Employment Agreement is deemed to have been executed in the Employer's office in **Hyderabad, Telangana, India** and will be construed and governed in accordance with the laws of the Republic of India without regard to its conflicts-of-law principles. 27. Blue-Penciling. If any court determines that any provision of this Employment Agreement, or any part hereof, or the application of any such provision, or any part hereof, to any person or circumstance is unenforceable or void, such court shall have the power to modify such provision, or any part hereof, to the extent necessary to render it legal and enforceable while preserving its intent, or if such modification is not possible, by substituting therefore another provision that is legal and enforceable and that achieves the same objective.

28. Waiver. None of my obligations under this Employment Agreement shall be deemed to have been waived by the Employer except if the giving of such waiver is contained in a written notice given to me and no such waiver shall be deemed to be a waiver of any other or further obligation I have under this Employment Agreement.

In the event of a conflict between this Employment Agreement and the employment application or any other document purporting to set forth terms and conditions of my *Employment*, this Employment Agreement will control.

30. Transfer and Assignment. Unless as the Employer shall otherwise determine, the rights, obligations and benefits of the Employer under this Employment Agreement, including but not limited to those rights and benefits relating to my post-Employment obligations set forth in this Paragraph 30 and in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19 and 23 above, are transferred and assigned, in whole or in part (as the Employer shall determine) and without the need for my consent or the formality of documentation or prescribed processes, to (a) any *Deloitte Entity* in connection with my transfer to that *Deloitte Entity* or (b) any entity that acquires all or a part of the assets or business of the Employer. All provisions of this Employment Agreement shall inure to the benefit of and be binding upon the respective heirs, executors, administrators, representatives, successors, and assigns of the Employer and me, and any *Deloitte Entity* to which I may be transferred during my *Employment*, provided, however, none of my duties or obligations under this Employment Agreement may be assigned or transferred by me to any other person or entity without the Employer's prior written approval of such assignment or transfer. Any purported assignments in violation of this Paragraph 30 shall be null and void.

31. Headings. The headings contained in this Employment Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Employment Agreement.

Terms and Conditions of Service

In continuation to our offer of employment with **Deloitte Consulting India Private Limited** (the "Employer"), please note the terms and conditions of service.

The italicized terms in these Terms and Conditions of Service are defined in **Exhibit A** of the Non-Disclosure, Non-Solicit and Intellectual Property Rights Assignment Agreement hereto.

Terms of Service

1. COMPLIANCE WITH INDEPENDENCE, ETHICS AND OTHER REQUIREMENTS

Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. Any relationships or holdings that conflict with, among other things, the requirements of the SEC, the PCAOB or the AICPA or the independence or ethics policies of the Deloitte US Entities will need to be resolved immediately. Further, you will be required to comply with these policies throughout your career with the Employer, including, when applicable, maintaining a current list of certain of your financial interests (but not their value) in the independence tracking system.

As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.
