TO WHOMSOEVER IT MAY CONCERN

We are glad to inform you that Dr. Madhika Bhardwaj from IIHMR University, Jaipur has completed her internship at Rajiv Gandhi Cancer Institute and Research Centre, Delhi from 11th April 2022 to 21st June 2022.

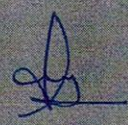

She has worked on a project titled 'Gaps in the Present Operational Mechanisms'. This project aims to improve Patient Satisfaction and Patient Delight. As part of the project, she covered time taken in Admission & Discharge, waiting time at registration Counter, OPDs, Pharmacy, Day Care, investigations and reports, response to Nursing Call Bells, and time spent by doctors in Consultation.

We found her extremely inquisitive and hardworking. She was very much interested to learn the functions of our core division and also willing to put her best efforts and get into the depth of the subject to understand in better.

We wish her all the best for her future endeavor.

Proof Of Enrolment

Date - 22/06/2022

Respected Sir/Madam,

I, Mayank Chapanera the CEO of Regis Healthcare, can confirm that Dnyan Gawande was an intern from 4th April 2022 till 4th June 2022.

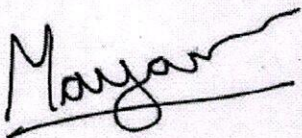

He has played an integral role in the establishment of a few products of Regis Healthcare. His rigour, work ethic and vision for the company has been significant in the growth of the company. His marketing skill-set is commendable and I can vouch that he will be a great asset to any organisation he wishes to work with.

Throughout his tenure, he developed campaign strategies and also aided in the product development phase.

He also wore other hats like managing the distribution strategy - the strategic distribution to local dealers, shop owners and hospitals based on their need and maintained higher production levels to satisfy the demand.

Dnyan has a stupendous ability to work under pressure. He has mastered the skills of adaptability, team work, delegation, critical thinking and decision-making skills.

Best Regards
Mayank Chapanera
