This is to certify that **Ms. Sonam Kumari**, a student at IIHMR University pursuing MBA Hospital and Health Management has undergone her internship with India HIV/AIDS Alliance, New Delhi from 6th May 2024 to 5th July 2024.

During her internship she was involved in one of our programme named as Vihaan funded by The Global Fund to fight AIDs, Tuberculosis and malaria(GFATM). Vihaan is India's largest HIV care and support programme that has a presence in 28 states and 4 union territories serving 1.6 million people living with HIV through its 319 Care and Support Centres (CSCs) spread across India. The programme has been included as a care and support component of the national HIV programme by National AIDS Control Organisation (NACO). She was associated with the Community Systems Strengthening component under the programme.

Sonam supported us on the following activities during her internship period.

- Worked closely with the programmes team in the development of a Good Practices document of Community Systems Strengthening under the Care & Support programme.
- Supported the team in conducting two community consultations under the programme – One with young community leaders and the other with the community-based organisations at the national level.

During her tenure, she had been given ample opportunities to interact with other programme team members in the organisation as well.

She has completed the study and submitted the report in time; and her dedication is much appreciated by her fellow team mates.

We wish Sonam success in all her future endeavours.
