Executive Summary

Dr. P. R. Sodani

President
IIHMR University, Jaipur

I am delighted to present the August 2023 report, illuminating the activities of IIHMR University, Jaipur.

In August, our institution embarked on an enriching journey, commencing with the Inauguration Ceremony welcoming the newly admitted students into our esteemed MBA programs: Hospital and Health Management, Pharmaceutical Management, and Development Management for the academic year 2023-25.

We meticulously crafted 19 days Orientation Programme encompassing a diverse spectrum of activities. The program featured the thought-provoking Human Process Lab, an immersive experience designed to cultivate a profound understanding of the University's values, culture, ethics, processes, procedures, alumni relations, and code of conduct. Our commitment to nurturing holistic development and empowering each student to ascend to new heights in their professional odyssey was evident in every carefully curated session.

During this enlightening journey, our Orientation Programme received insights and wisdom from visionary industry leaders and illustrious alumni, reinforcing our commitment to excellence.

IIHMR University, Jaipur, in collaboration with UNICEF, hosted a pivotal Visioning Workshop. This event was instrumental in contemplating the establishment of a Behavioral Insights Unit (BIU) at our university. Additionally, the institution organized workshops under a WHO-supported project. These initiatives underscore our dedication to contributing to global health and well-being.

An equally pivotal Workshop on Preparation for the Second Cycle of NAAC Accreditation was conducted to reflect our unwavering commitment to the highest standards of education and quality assurance.

Throughout the month, IIHMR University, Jaipur, celebrated several significant occasions. Independence Day celebration was a poignant reminder of the values of freedom, unity, and national pride. The Plant Sapling Drive on Independence Day underscored our commitment to environmental sustainability. World Entrepreneurs Day, Onam, and the National Sports Day event carried profound significance.

In fostering a secure and nurturing environment for our students, an Anti-Ragging Week was observed.

Our engagement with industry experts continued through Industry-Academia Interactions, masterclasses, the enlightening Know Your Alumni series, and thought-provoking webinars. These endeavours aimed to bridge the chasm between theoretical knowledge and practical application, facilitating a dynamic exchange between academia and industry experts. Additionally, our esteemed faculty made significant contributions to the academic community by publishing numerous research papers and publications, thereby disseminating innovative insights and knowledge.

Thanks to the continuous support and guidance of the Board of Management

Chapter 15 Aging in Indian Women: Health Status

Nirmalasaravanan Narayanasamy, Audinarayana N, and Arindam Das

Abstract Young India will be greying in a decade or so. And there will also be an increase in older women than older men by 18.4 million by 2050. Most elderly persons are likely to suffer from one or the other morbidity conditions. This study assesses the acute and chronic morbidity conditions the elderly widows are suffering from and their principal determinants.

Keywords Elderly widows · Acute morbidity · Chronic morbidity · Puducherry · Determinants

Session

Just ASPIRE

August 11, 2023

Dr. Srinivas Chunduru, Founder, VMentor.ai met with Dr. P.R. Sodani, President of IIHMR University, Jaipur. They exchange ideas and thoughts on how to engage young students. Dr. Srinivas Chunduru also presented a book Titled "Just Aspire" to Dr. Sodani.

Continuing with the orientation program, Dr. Srinivas Chunduru interacted with newly admitted students of MBA (Hospital and Health Management), MBA (Pharmaceutical Management) and MBA (Development Management) with a very interactive and practical session on the topic "Managing your Career".

Session

SAMPARK

August 13, 2023

A remarkable intersection of knowledge and culture, the corridors of IIHMR University, Jaipur, were buzzing with excitement during a recent event that encapsulated the spirit of "SAMPARK. Dr. Piyusha Majumdar, Associate Professor at IIHMR University, coordinated an extraordinary initiation for the newly admitted students.

The event, titled "Building Connections to Knowing Culture," through interactive sessions and discussions, was aimed at students to gain a deeper understanding of how culture influences various aspects of life, including business and management.

Know About IIHMR Foundation

August 16, 2023

"Know About IIHMR Foundation". Hosted by Mr. Puneet Datta, the CEO of IIHMR Foundation, this enlightening session took attendees through the foundation's impactful initiatives that are revolutionizing the health management landscape.

From community empowerment to groundbreaking health management advancements, this event shed light on how IIHMR Foundation is making a significant impact.

Industry Refelactions

August 17, 2023

An exclusive talk by Mr. Sharad Bansal, Co-Founder & CEO at Tinkerly. Tinkerly is a well-known entity in the intersection of technology and education. His discussion covered interactive learning, the latest strides in educational technology, and the promising future of education.

The audience were greatly moved by his insights, gaining a renewed outlook on how technology is revolutionizing the realm of education and equipping students with the skills they need in today's ever-evolving world.

Session

Industry Refelactions

August 17, 2023

Captivating session bridging academia and industry by our distinguished guest Mr. Alok Khettry, renowned for his multifaceted roles in the pharmaceutical domain. He shared his profound reflections at IIHMR University Jaipur.

With a career trajectory adorned by roles of immense significance, including his tenure as the former President of Cadila Pharmaceuticals Ltd, and his strategic leadership roles in the diverse markets of Thailand, Malaysia, Singapore, India, Sri Lanka, and Nepal during his tenure at Sanofi. Mr. Khettry's insights illuminated the intersection of innovation, leadership, and regional dynamics in the pharmaceutical landscape.

Catering Student Diversity

August 18, 2023

Empowering Education: Unveiling the Essence of Student Diversity

In a special session led by Dr. Saurabh Kumar, Dean - School of Pharmaceutical Management, IIHMR University, students embarked on an enlightening journey delving into catering to student diversity. Exploring the significance of invisible diversity, they gained insights into fostering an environment where collaboration, teamwork, and shared experiences flourish.

Understanding the importance of a strong foundation, this session highlighted the critical role it plays in cultivating an inclusive atmosphere. By embracing an environment where individuals from all walks of life come together, creativity and innovative ideas find the perfect breeding ground. As students discovered the power of diversity, they embarked on a path that not only enriches their academic pursuits but also shapes them into leaders of a harmonious and interconnected world.

August 29, 2023

Dr. P. R. Sodani, President of IIHMR University, Jaipur, expressed his gratitude to the IWORCON - Workshop and Conference Committee for organizing this insightful session, recognizing its immense value for both students and faculty members. He said that the session further equipped them with the information to confront this pressing health concern.

Workshop

Visioning workshop: Center for Behavioural Insights

August 25, 2023

IIHMR University Jaipur, in collaboration with UNICEF, organized a Visioning Workshop to deliberate on the establishing a Behavioural Insights Unit (BIU) at IIHMR University, Jaipur. Dr. P.R. Sodani, President, IIHMR University, Jaipur, inaugurated the workshop. Dr. Sodani, in his address, shared that behavioural insights are principles derived from behavioural sciences, which are used to understand how people make decisions and how they can be influenced to make better decisions. Policy-makers and programme managers can design more effective interventions by applying behavioural insights to achieve their intended outcomes. Ms Isabelle Bardem, Chief of UNICEF Rajasthan, highlighted the importance of the behaviour insights unit in policy planning and programme management in health and related sectors.

Key stakeholders from IIHMR University, UNICEF, Centre for Social and Behaviour Change (CSBC), Ashoka University and consulting organisation Finalmile attended the workshop.

Workshop

Empowering Adolescents to Lead Change using Health Data in Jaipur

August 11 - 16, 2023

Workshops under WHO Supported project titled “Empowering Adolescents to Lead Change using Health Data in Jaipur.” (Global School Health Survey-Phase II)

Orientation workshops in all the intervention schools of Jaipur (16 in all) were conducted by IIHMR team till 11 August 23. Creative drawing workshops were then started in these schools from 16 August which are still underway.

Workshop

Preparation for Second Cycle of NAAC Accreditation

August 05, 2023

A Workshop on Preparation for Second Cycle of NAAC Accreditation was organized on 05/08/2023. Resource Persons for the workshop were Professor Mridul Dharwal, Director, International Accreditation & Ranking, Sharda University, and Dr. Aarti Sharma.

Celebration

Independence Day

August 15, 2023

The Independence Day celebration at IIHMR University, Jaipur was a simple yet powerful reminder of the importance of freedom, unity, and national pride. The event began with the flag hoisting, followed performances of students which added an extra layer of enthusiasm to the celebration.

Celebration

Meri Maati Mera Desh

August 15, 2023

Independence Day celebration came alive with a simple yet powerful reminder of unity and national pride.

“Meri Maati Mera Desh” program, envisioning a unified celebration of India's soil and valour, commemorating the nation's journey of freedom and progress. By connecting with the land and honoring our heroes, this will instill a sense of national pride and inspire future generations to protect India's cherished heritage.

Plant Sapling Drive on Independence Day

August 15, 2023

A resounding Independence Day celebration that resonated with the essence of a united India. As an extension of this vision, the event witnessed a distinctive plant sapling campaign, signifying a commitment to a greener, more sustainable future.

The event not only celebrated India's journey to freedom but also reinforced the values that will shape the country's trajectory toward progress and sustainability.

Celebration

World Entrepreneurs Day

August 21 - 31, 2023

Celebration

Onam Celebration

August 30, 2023

Amidst the vibrant ambiance of the IIHMR University campus, a joyous atmosphere swept through as students and staff came together to celebrate the cherished festival of Onam. This annual extravaganza, known for its cultural significance and community spirit, took center stage, painting the campus with colors of unity and tradition.

National Sports Day 2023

August 28, 2023

National Sports Day event celebrated on August 28th, 2023, in a celebration that held profound significance. The event paid tribute to the unparalleled contributions of Major Dhyan Chand to the realm of Indian sports, serving as a reminder of the values and principles that sports embody.

The celebration was a platform to foster values transcending the sports arena – values like discipline, teamwork, and dedication. The event served as a testament to the institution's commitment to instilling values and fostering unity.
