Executive Summary

Dr. P. R. Sodani

President

IIHMR University, Jaipur

I am happy to present the August Monthly Report of IIHMR University, which captures the diverse academic, research, and community-driven initiatives undertaken during the month. August was a time of new beginnings as we welcomed the MBA and MPH batch 2025-2027 through a comprehensive orientation and inaugural programme. The sessions with our faculty and esteemed industry leaders provided valuable insights to our students, setting a strong foundation for their academic journey and professional growth.

During the month, a training on Programmatic Mapping and Population Size Estimation (PMPSE) under NACP was conducted, reflecting our commitment to strengthening capacity in public health programs. The University also observed Anti-Ragging Week from August 12-18, 2025, organizing awareness activities, competitions, and interactive sessions to reinforce our zero-tolerance policy towards ragging.

Furthermore, a book chapter titled "Delineation of Blockchain and Customer Experience" co-authored by Dr. Akshay Kumar Mishra and Dr. Sandeep Kumar Mohanty was published in *Bibliometric Analyses in Data-Driven Decision-Making* (Wiley), adding to the institution's academic contributions.

The month also witnessed vibrant campus activities, including the celebration of the 79th Independence Day, National Librarian's Day, and the successful hosting of the 3rd edition of TEDxIIHMRU. These events not only strengthened the spirit of unity, pride, and innovation on campus but also inspired the community to think beyond conventional boundaries and embrace new possibilities.

I would like to express my sincere appreciation to our faculty, staff, students, and partners for their unwavering dedication and contributions. Together, we continue to uphold the values of IIHMR University, nurturing future leaders while addressing contemporary challenges in healthcare, management, and development with impact and purpose.

MBA Hospital and Health Management

First Year Hospital and Health Management (Batch 2025 – 2026)

(Section A & Section B)

August 04- August 07

79th Independence Day Celebration

IIHMR University celebrated the 79th Independence Day on August 15, 2025, with great enthusiasm and pride. The National Flag was jointly hoisted by Dr. P.R. Sodani, President, IIHMR University, and Dr. Ashok Agarwal, Founder-Trustee, Indian Institute of Health Management Research, in the presence of faculty, staff, and students. The ceremony commenced with the National Anthem, followed by a disciplined NSS Cadets Parade. Students expressed their patriotic fervor through vibrant cultural performances that highlighted India's unity in diversity. The celebration not only honored the nation's rich heritage but also reminded the community of its collective responsibility in shaping a brighter future, leaving all participants inspired.

Training on Programmatic Mapping and Population Size Estimation (PMPSE)

As part of our ongoing training partnership/MoU with RSACS, a training program was organized on 11-12 August 2025 under the National AIDS Control Program (NACP) of the Government of India. The session focused on Programmatic Mapping and Population Size Estimation (PMPSE) and witnessed active participation from across Rajasthan, with 70 participants attending offline and 60 participants joining online from various districts.

Glimpses of the Training Programme

Stakeholder's Consultation Workshop

On August 6, 2025, IIHMR University, under the SD Gupta School of Public Health, convened a stakeholder consultation workshop as part of its research project on the “Effective Implementation of the National TB Elimination Program (NTEP) in the Jamwa Ramgarh Block, Jaipur.” The total number of participants who attended the workshop were 26. The workshop brought together representatives from academia, healthcare professionals, district health authorities, and community stakeholders to deliberate on challenges hindering the effective rollout of the NTEP in the region. It aimed to identify barriers related to human resources, logistics, diagnostics, treatment adherence, and community engagement, and to collectively propose actionable solutions for improving case detection, notification, and treatment outcomes. By fostering dialogue among diverse stakeholders, the workshop created a roadmap toward achieving India's ambitious goal of TB elimination by 2025.

Effective Implementation of National TB Elimination Program (NTEP) in the Jamwaramgarh Block, Jaipur, Rajasthan: An Implementation Research Project for TB Elimination

Anti-Ragging Day

IIHMR University organized Anti-Ragging Day on August 12, 2025, followed by Anti-Ragging Week from August 12-18, 2025, in line with UGC guidelines. A series of awareness activities, including film screenings, interactive sessions, and creative competitions such as poster presentation, logo/slogan design, reel making, and photo booth participation, were organized around the theme “Curbing the Menace of Ragging in Higher Educational Institutions.” The initiative reinforced the University's zero-tolerance policy towards ragging and encouraged active participation from students, faculty, and staff.

Glimpses of Anti-Ragging Day

National Librarian's Day

The Library Department celebrated National Librarian's Day 2025 on August 12, 2025, at the Dr. D.A. Henderson Library and Documentation Centre to honour the birth anniversary of Dr. S. R. Ranganathan, the Father of Library Science in India. Two special displays were curated: works authored by Dr. Ranganathan and a collection on the Indian Knowledge System (IKS), showcasing India's intellectual traditions. Faculty, staff, and students actively engaged with the exhibits, reflecting on Dr. Ranganathan's legacy and the relevance of indigenous knowledge in academics. The event highlighted the library's role as a hub for learning, research, and cultural preservation.

PROUD ACHIEVEMENT !

NATIONAL NEWS UNIVERSITY NEWS

IIHMR University Welcomed a New Wave of Talent & Ambition with 463 Students

By India Education Diary Bureau August 14, 2025

Delhi: IIHMR University, ranked #1 Healthcare Management University in India, celebrated the inauguration day of the MBA and MPH Programs, batch 2025-27, marking the beginning of the academic journey for the 463 students of the MBA and MPH programs. The cohort of batch 2025-27 comprised MBA (Hospital & Health Management), MBA (Pharmaceutical Management), MBA (Development Management), MBA (Healthcare Analytics) and Master of Public Health (MPH) programs.

This year's intake marked a vibrant diversity of talent from across the nation, with students admitted from 25 states in India. The incoming batch embodies a vibrant blend of academic diversity, with students representing various educational disciplines, including MBBS, BDS, BAMS, BHMS, BPharma, and others that spark fresh perspectives. Showcasing remarkable female empowerment in healthcare management, this year's batch registered 55.5% female and 44.5% male students.

Welcoming the new batch of students of batch 2025-27, Dr. P.R. Sodani, President of IIHMR University, shared, "Since inception in 1984, IIHMR has been conducting Health Management Research in the country for program management, and health policy planning and formulation. We have conducted many research projects for governmental and non-governmental organisations. We are proud of our esteemed alumni who significantly contribute to the health sector's growth and development globally. He further mentioned that we put a lot of emphasis on pedagogy and curriculum design to create an effective learning ecosystem. Our courses are designed to provide competencies and skills to develop future leadership with critical thinking and data analytics. Courses are updated with the healthcare industry's needs kept in mind. We encourage our students to participate in national and international conferences. Our placements achieved another milestone by securing international placements this year. IIHMR University is a gateway to a bright future for the newly joined students."

Recalling his history with the university, Dr. Amarjit Singh, IAS, Former Commissioner (Health) Government of Gujarat, said, "The IIHMR graduates that I worked with were curious, critical thinkers and ethical. Their force was a reason that Gujarat became the first state in the country to have the largest number of NABH-accredited PHCs, CHCs, District Hospitals and NABL-accredited medical college laboratories." Inspiring the students with his words of wisdom, Dr. S.D. Gupta, President of the Indian Institute of Health Management Research, said, "A ship is safe in harbour, but the ships are not meant to be harboured. We have made a national as well as a global footprint. Our faculty is highly qualified and competent. We encourage transparency and trust. Mr. Anubhav Sukhwani, Vice-President CK Birla Hospitals (RBH), addressed the students on continuously upgrading to stay relevant in the current world. He added, "Human touch is never going to go away from healthcare, and that is why you are always going to be relevant with the support of a lot of tech and infra."

Ms. Barnona Basu, Senior General Manager (Marketing), Lupin, said, "You all sitting here are the future innovators, industrialists, and entrepreneurs. And no matter how much technology comes into healthcare, it cannot remove the human-to-human connection. This industry is powered by our three H: a head to think, a heart to feel, and a hand to serve."

Mr. Paresh Kumar, CEO and co-founder of Dev Insights, suggested that discussing failures and successes is equally essential. He further shared, "Knowledge alone is not enough. You must understand how to apply this knowledge and adapt." Mr. Gaurav Mundra, Vice-President (Product Innovation, Clinical Support Services), IKS, shared, "AI is not going to replace you. But if you don't use AI, then your fellow colleagues who use the AI will replace you."

On this occasion, Provost Dr. Himadri Sinha welcomed all the dignitaries and advised the students to be curious, adaptable, and, most importantly, ethical. Dr. Vinod Kumar SV, Dean in Charge of SD Gupta School of Public Health, shared the institute's journey of academic excellence and steady global partnerships with the upcoming batch.

Dr. Saurabh Kumar, Dean of the School of Pharmaceutical Management, delivered the vote of thanks.

मेडिकल फील्ड में इस विश्वविद्यालय के स्टूडेंट्स ने दुनियाभर में बनाई अपनी पहचान, छात्रों को मिले लाखों के पैकेज

Reported by: ANKIT RAJPUT | Edited by: निखिल चर्मा | Agency: News18 Rajasthan
Last Updated: August 14, 2025, 21:58 IST

आईआईएचएमआर विश्वविद्यालय में एमबीबीएस, बीडीएस, बीएचएमएस, बीफार्मा और अन्य कोर्सेज में दुनियाभर के छात्र शिक्षा प्राप्त कर रहे हैं।

आईआईएचएमआर विश्वविद्यालय में स्टूडेंट्स के साथ मनाया गया उद्घाटन दिवस।

जयपुर अपने बेहतरीन विश्वविद्यालयों और शिक्षा पद्धतियों से दुनियाभर में पहचान बना रहा है। इन्हीं में से एक है आईआईएचएमआर विश्वविद्यालय, जो स्वास्थ्य सेवा प्रबंधन में अग्रणी है। यहां अस्पताल एवं स्वास्थ्य प्रबंधन, फार्मास्यूटिकल प्रबंधन, विकास प्रबंधन, स्वास्थ्य सेवा विश्लेषण और मास्टर ऑफ पब्लिक हेल्थ कार्यक्रमों के लिए 25 राज्यों के 463 छात्रों के बैच के साथ 2025-27 का उद्घाटन दिवस मनाया गया।

आईआईएचएमआर विश्वविद्यालय में एमबीबीएस, बीडीएस, बीएचएमएस, बीफार्मा और अन्य कोर्सेज में दुनियाभर के छात्र शिक्षा प्राप्त करते हैं। इस वर्ष के बैच में 55.5% छात्राएं शामिल हैं, जो स्वास्थ्य सेवा प्रबंधन में उल्लेखनीय महिला सशक्तिकरण को दर्शाता है। हाल ही में बैच 2025-27 के नए छात्रों का स्वागत किया गया। विश्वविद्यालय के अध्यक्ष डॉ. पीआर सोडानी ने बताया कि 1984 में स्थापना के बाद से IIHMR ने स्वास्थ्य प्रबंधन अनुसंधान में महत्वपूर्ण योगदान दिया है। इसमें सरकारी और गैर-सरकारी संगठनों के लिए कई शोध परियोजनाएं शामिल हैं।

यूनिवर्सिटी में इस सत्र के लिए शुरू हुए PHD प्रोग्राम में भारत के छह राज्यों राजस्थान, आंध्र प्रदेश, उड़ीसा, महाराष्ट्र, मध्य प्रदेश और पंजाब से 19 शोध छात्र शामिल हुए हैं। इस साल IIHMR विश्वविद्यालय के 423 छात्रों में से 176 छात्र और 247 छात्राओं को विभिन्न कोर्स और स्तर पर उपाधियां दी गईं। प्लेसमेंट सीजन में विश्वविद्यालय के छात्रों को उच्चतम पैकेज INR 28.56 लाख मिला, जबकि औसत पैकेज 9 लाख प्रति साल रहा।

विश्वविद्यालय के 11 छात्रों ने संयुक्त अरब अमीरात, केन्या, इंडोनेशिया और कांगो में अंतर्राष्ट्रीय प्लेसमेंट हासिल किया। स्नातक बैच में एमबीए के 225 छात्र, एमबीए (फार्मास्यूटिकल प्रबंधन) के 125 छात्र, एमबीए (विकास प्रबंधन) के 9 छात्र, एमपीएच (कार्यान्वयन विज्ञान) के 2 छात्र, एमपीएच (कार्यकारी) के 35 छात्र और एमएचए (कार्यकारी) के 18 छात्र शामिल थे। 9 छात्रों को डॉक्टरेट की उपाधियां प्रदान की गईं।

40 सालों में लाखों छात्रों ने आईआईएचएमआर यूनिवर्सिटी से चिकित्सा शिक्षा प्राप्त की है। यहां स्वास्थ्य सेवा और मेडिकल के विभिन्न एक्जीक्यूटिव प्रोग्राम में छात्रों को पढ़ने का मौका मिलता है। विश्वविद्यालय में ऑनलाइन और ऑफलाइन दोनों रूप में एक्जीक्यूटिव प्रोग्राम की सुविधा उपलब्ध है।

डॉ. पीआर सोडानी के अनुसार, भारत में स्वास्थ्य सेवा क्षेत्र आज राजस्व और रोजगार दोनों ही दृष्टिकोणों से सबसे बड़े क्षेत्रों में से एक बन चुका है। इसलिए यूनिवर्सिटी में एक्जीक्यूटिव प्रोग्राम को विद्यार्थियों की आकांक्षाओं के अनुरूप डिज़ाइन किया गया है, जिसमें स्वास्थ्य सेवा, ESG, सरटोबिलिटी और फार्मास्यूटिकल मैनेजमेंट जैसे प्रोग्राम्स शामिल हैं।

कैसे मिलेगा एडमिशन

आईआईएचएमआर यूनिवर्सिटी में एडमिशन के लिए किसी भी विषय में स्नातक डिग्री के लिए छात्रों को 50% या उससे अधिक अंक (SC/ST/OBC-NC/EWS/PwD के लिए न्यूनतम 45%) प्राप्त होने चाहिए। यदि किसी उम्मीदवार ने स्नातकोत्तर डिग्री प्राप्त की है और उसमें न्यूनतम 50% अंक हैं, तो स्नातक डिग्री में न्यूनतम अंकों की शर्त नहीं लागू होगी।

आईआईएचएमआर यूनिवर्सिटी के सभी एक्जीक्यूटिव प्रोग्राम्स की जानकारी के लिए छात्र विश्वविद्यालय की आधिकारिक वेबसाइट <https://iihmr.edu.in/> पर जानकारी प्राप्त कर सकते हैं।
