Executive Summary

Dr. P. R. Sodani

President

IIHMR University, Jaipur

It is with great pleasure that I share the key events and initiatives that took place at IIHMR University in December 2024. This month reflects our continued dedication to fostering a dynamic learning environment, advancing excellence, and promoting social welfare and holistic development.

In December, we conducted a Management Development Program (MDP) focused on the effective implementation of health programs through implementation research. Additionally, we organized a Review Meeting for joint supportive supervision visits in collaboration with the World Health Organization (WHO). These initiatives underscore our ongoing efforts to enhance public health systems and equip professionals with valuable tools and knowledge.

We also organized the Master Class, a platform for knowledge exchange and UMANG, our annual sports day, which provided our students with the perfect opportunity to showcase their talents and celebrate the spirit of teamwork and sportsmanship.

Additionally, we hosted a workshop in collaboration with UNICEF, CAWST, and SEHGAL Foundation as well as several field visits were also conducted with the goal of providing valuable learning experiences and enhancing practical knowledge for our students.

As we look ahead, I am excited about the opportunities that await us in the coming year. The hard work and dedication of our students, faculty, and staff will continue to be instrumental in ensuring that IIHMR University remains a leader in higher education. Together, we will build a brighter future for our community and beyond.

I extend my deepest gratitude to all the participants, organizers, and supporters whose contributions made these events successful. Your commitment and enthusiasm are truly commendable.

IIHMR University organised the annual sports week event “UMANG” from December 20th to 30th, 2024. The week concluded sports competitions to cultural festivities with an exciting award ceremony, celebrating the achievements of participants and highlighting the university's commitment to fitness, well-being, and community building.

Training Workshop

IIHMR University, Jaipur, conducted the 3-day Training Workshop on “Fluoride and Fluorosis Mitigation” in collaboration with S M Sehgal Foundation, Centre for Affordable Water and Sanitation Technology (CAWST), UNICEF. The workshop took place from December 17th to 19th, 2024. Professionals, scholars, and participants united to drive innovation, exchange expertise, and reinforce the pillars of safe water and public health.

IIHMR University conducted MDP on Effective Implementation of Health Program through Implementation Research from 5-7 December 2024. There were 12 participants from Indian Council of Medical Research, National Institute of Implementation Research, NCD, National Health System Resource Center (NHSRC), MoHFW Govt of India, NHM Govt. of Madhya Pradesh, Academic institutions like Rajasthan University and IIT Mumbai, Development Organizations like UNICEF, Maternity Foundation, SNEHA, FHTS.

Management Development Programme on Effective Implementation of Health Programme Through Implementation Research

December 5-7, 2024

Joint Supportive Supervision Visits: Review Meeting

IIHMR University, Jaipur honoured to collaborate with the World Health Organization on December 21, 2024, to elevating youth with key health insights for a healthier tomorrow!

The Review Meeting for Joint Supportive Supervision Visits emphasized the use of health data to drive significant progress in adolescent health.

Workshop

A workshop on “Role of Forensic Science in Criminal investigation with DNA and other Technologies” was conducted for second year Hospital and Health Management students on December 18th, 2024, from 10.00 AM to 1.00 PM. Guest faculty Dr. V N Mathur, Ex Director, State FSL was invited for the workshop.

Human Rights Day

Human Rights Day is observed annually on 10 December, marking the day in 1948 when the United Nations General Assembly (UNGA) adopted the Universal Declaration of Human Rights. The theme for International Human Rights Day, 2024 was "Our Rights, Our Future, Right Now," emphasizing the urgent need to protect and uphold human rights today for a better tomorrow.

The Gender Champions organized a candle march in the evening at the University campus. Dr. Nutan Jain coordinated the activity. The faculty members and students undertook a pledge to stand for equality, and justice of every individual.

Exposure Visits for Students

A field visit to Rajasthan Hospital, Jaipur was conducted in the teaching module of "Pharma Supply Chain Management" for 126 students of MBA Pharmaceutical Management, Second year of IIHMR University, Jaipur on 9, 11, 12 and 13 December 2024. The field visit was coordinated by Dr. Saurabh Kumar, Faculty Coordinator of SCM module.

The field visit for MBA DM 03 was organised at Barefoot College, Tilonia, Ajmer District, Rajasthan, on December 11, 2024, as part of the MBA Development Management module on "Production, Value Chain, and Enterprise". The students visited the college campus and interacted with barefoot engineers, women entrepreneurs and leaders. They learnt various community-driven models of solar energy programme, environmental conservation & climate action, livelihood, microenterprises and education. Dr. Ratna Verma coordinated the visit.

Exposure Visits for Students

On 20th December 2024 students of MBA DM-03 batch visited organization Ekkanya, in Bassi under the supervision of Dr. Ratna Verma. The organization is promoting women's education and training through community partnership. Students met 34 women who are attending education at Bassi centre.

The students of Cultural Committee of IIHMR University embarked on a heartfelt journey to create awareness and empathy for the differently abled children and senior citizens in the community at Mother Teresa Home, Jaipur, under the guidance of Dr. Kajal Sitlani, on 24 December 2024.

Dr. Goutam Sadhu and Dr. Hemant Mishra also participated in the drive. The aim was to foster compassion, inclusivity, and a sense of responsibility among students, while bringing smiles and warmth to those who truly deserve it.

Exposure Visits for Students

The Field visit of MBA HEM 28, Health Management students to District Drug Warehouse (DDW), at CMHO Office, Sethi Colony, Jaipur, was organised on December 27, 2024. The visit helped the students in understanding the MNDY, especially on Logistics and Supply Chain Management of health commodities as part of the teaching module Operations Research.

Dr. Hemant K. Mishra accompanied a visit of students of Development Management Batch 3 and 4 to a fair of Self-Help Groups organised by RAJIVIKA, Government of Rajasthan on 27th December 2024. Dr. Goutam Sadhu and Dr. Ratna Verma also participated in the drive. The exhibition had more than 400 shops where products developed by them were displayed. It was an event how SHGs could bring change in the society.

IIHMR University and Maternity Foundation Forge Partnership to Drive Transformative Public Health Initiatives

December 11, 2024 | News | 10 min read

Jaipur, 10th December 2024: IIHMR University, India's premier health management research university, has entered into a transformative partnership with the Maternity Foundation to drive impactful public health initiatives. This landmark collaboration marks the beginning of a collaborative effort to shape the future of healthcare through research, innovation, education, and training programs aimed at improving healthcare systems and fostering sustainable development.

The collaboration between IIHMR University, India's premier health management research university, and the Maternity Foundation, a leading women's health organization, will focus on driving impactful public health initiatives. This landmark collaboration marks the beginning of a collaborative effort to shape the future of healthcare through research, innovation, education, and training programs aimed at improving healthcare systems and fostering sustainable development.

Expressing delight at this union, Dr. P.R. Sodani, President, IIHMR University, shared, "We are delighted to partner with Maternity Foundation to drive impactful public health initiatives. This collaboration will focus on driving impactful public health initiatives. This landmark collaboration marks the beginning of a collaborative effort to shape the future of healthcare through research, innovation, education, and training programs aimed at improving healthcare systems and fostering sustainable development."

The partnership intertwines the shared vision of both institutions to foster innovation, enhance capacity building, and improve women's quality of life. By bringing together academic and practical expertise, the collaboration is poised to create a lasting impact on public health systems globally.
