Executive Summary

Dr. P. R. Sodani

President
IIHMR University, Jaipur

I am happy to present the report of IIHMR University, Jaipur, for January 2023.

During the month, the university began Residency 1 of Cohort 2 (2022-24) of Executive MPH and Executive MHA programs, which saw active participation from the participants. The university continued to promote knowledge-sharing initiatives through various platforms, including the Masterclass, Know Your Alumni series, and Webinars. Additionally, the university initiated the Let's Talk About Health series, where renowned doctors will be invited to discuss various health-related topics.

The university organized a Faculty Retreat at the Westin Pushkar Resort, where the faculty members came together to align their vision for 2027 and strategize for the next five years. The university also organized Alumni Meet 2023 with the theme Ekatva, where over 150 alumni from various batches gathered to network and relive their memories with peers, faculties, and current batch students. Moreover, the university celebrated Republic Day, National Youth Day, and AAGAZ Lohri with cultural performances by students.

In addition, the university conducted a successful MDP on “Logistic Management of Vaccines with Special focus on Strengthening the Cold chain” for Regional Vaccine & Cold Chain Manager (RVCCM) & Logistics Manager (LPI), NHM Odisha, which was attended by 39 participants from NHM, Ministry of Health and Family and Welfare, Govt of Odisha. The university also conducted workshops on Prevention of Sexual Exploitation and Abuse for its faculty and staff.

The university continued its efforts to strengthen industry-academia interactions by inviting renowned academicians and industry experts. Dr. Mahnaz Vahedi, Scientist, Research Capacity Strengthening, TDR, WHO, Geneva visited IIHMR University to review academic activities of MPH (Implementation Science) and expressed her satisfaction with the university's academic activities.

Furthermore, the university organized exposure visits for students to enhance their grassroot and experiential learning. We also collaborated with Magic Millets 2023 as Knowledge Partner. The faculties and students of the university also participated in conferences and workshops at national and international platforms, reflecting the university's commitment to providing practical experience and exposure to global best practices. Finally, the university achieved a good ranking in THE World University Rankings and Education World Rankings, which is a testament to its reputation as a leading institution in the field of public health and management education.

Overall, IIHMR University had a highly productive and successful January 2023, thanks to the continuous support and guidance of the Board of Management.

Alumni Meet 2023

IIHMR University organized a reunion of its alumni on January 28th, 2023, with the theme of Ekatva, which means unity. Over 150 alumni from various batches, from 1996 to 2022 gathered to relive their memories, catch up with old friends, and network with their peers, faculties, and current batch students. The Alumni meet was addressed by Dr. Ashok Agarwal, Dr. S.D. Gupta, Shri Sudarshan Jain and Dr. P.R. Sodani. The Ekatva alumni meet was a great success and a testament to the strong bond that our alumni share. During the meet alumni's role in strengthening the university system, alumni's significant work and achievements were highlighted.

The alumni meet was marked by various engaging activities, including keynote speeches from prominent leadership and alumni, panel discussions, and networking sessions. The keynote speakers inspired the attendees with their life experiences and shared their valuable insights on the latest trends and developments in their respective fields.

The panel discussions brought together alumni experts to share their expertise and discuss important topics that are relevant to the industry. The participants also got a chance to interact with the current students and faculty members of IIHMR University, providing a platform for mentorship and the exchange of ideas.

The event was a great opportunity for alumni to reconnect with their alma mater and make new connections with their peers. It was a day of joy, laughter, and nostalgia as alumni relived their memories and celebrated their achievements.
