Executive Summary

Dr. P. R. Sodani
President
IIHMR University, Jaipur

I am delighted to share the highlights from June 2025 at IIHMR University – a month of continued academic progress, collaborative learning, and meaningful engagement. Our students actively participated in summer internships and dissertation defenses across programs, reflecting their dedication to applied learning and academic excellence. These activities are essential to our vision of preparing professionals who can address real-world challenges in health and development sectors.

The commencement of PhD Cohort 12 coursework marked the beginning of a significant academic journey. The sessions focused on critical thinking, research methodology, and scholarly writing, laying a strong foundation for impactful research. A masterclass on translating evidence into policy and practice further deepened our academic discourse, highlighting the importance of aligning research with public health priorities and decision-making.

We also proudly observed International Yoga Day through Yoga Sangam Patra, an event that brought together faculty, staff, and students to promote health, mindfulness, and balance. Events such as these strengthen our campus culture and reinforce our belief in holistic education that nurtures both mind and body.

Our faculty continued to make valuable contributions through research publications, presentations, and participation in academic forums at national and international levels. Their commitment to continuous learning and thought leadership is instrumental in shaping the university's academic ecosystem.

As we move forward, we remain focused on fostering an inclusive and dynamic learning environment that encourages innovation, collaboration, and social impact.

जयपुर की IIHMR यूनिवर्सिटी कैम्पस 7000 पेड़ों से सजा: प्लास्टिक और तंबाकू पर पूर्ण प्रतिबंध

कैम्पस में 7000 से अधिक पेड़-पौधे लगाए गए हैं। यह पहल विश्व पर्यावरण दिवस पर एक सकारात्मक संदेश देती है।

जयपुर की IIHMR यूनिवर्सिटी ने पर्यावरण संरक्षण की दिशा में अनूठी पहल की है। यूनिवर्सिटी ने अपने कैम्पस को पूरी तरह से तंबाकू और प्लास्टिक मुक्त बना दिया है।

कैम्पस में 7000 से अधिक पेड़-पौधे लगाए गए हैं। यह पहल विश्व पर्यावरण दिवस पर एक सकारात्मक संदेश देती है। यूनिवर्सिटी के प्रेसिडेंट डॉ. पी.आर. सोडानी ने बताया- संस्थान में क्लाइमेट चेंज, पर्यावरण स्वास्थ्य और सस्टेनेबिलिटी से जुड़े विषयों पर काम किया जा रहा है।

यूनिवर्सिटी में फैकल्टी, स्टाफ और छात्र मिलकर पर्यावरण संरक्षण की पहल को आगे बढ़ा रहे हैं। संस्थान का मानना है कि पर्यावरण का संरक्षण आने वाली पीढ़ियों के लिए महत्वपूर्ण है।

यह पहल वर्तमान में पर्यावरण को लेकर व्याप्त चिंताओं के बीच एक सकारात्मक उदाहरण प्रस्तुत करती है। प्रदूषण, प्लास्टिक का उपयोग और वनों की कटाई जैसी समस्याओं के समाधान की दिशा में यह एक सार्थक कदम है।

छोटे-छोटे कदम, बड़ा बदलाव

चाहे पेड़ लगाना हो, शीसाइक्लिंग को बढ़ावा देना हो या फिर प्रदूषण मुक्त गतिविधियों को अपनाना यूनिवर्सिटी हर स्तर पर ऐसे प्रयास कर रही है जो आने वाले समय में पर्यावरण संरक्षण की दिशा में बड़ा बदलाव ला सकते हैं।
