Executive Summary

Dr. P. R. Sodani

President
IIHMR University, Jaipur

I'm delighted to share the events and initiatives that took place at IIHMR University, Jaipur in May 2024. The month of May has been marked by significant events that underscore our commitment to advancing knowledge and contributing at a global level.

IIHMR University signed two significant Memoranda of Understanding (MoUs) with Krishiv Healthcare and BIOPRESERVE INNOVATIONS. These five-year agreements will facilitate internships, dissertations, and practicums for postgraduate students and research scholars, while also promoting collaborative research and academic activities.

We organized a Management Development Programme on Lean Six Sigma in Healthcare and a Faculty Development Programme on Case Methods, aimed at enhancing the professional development of faculty and researchers. These programs covered critical aspects of management education, including conducting case classes and writing cases using both secondary and primary data. Additionally, a Staff Development Programme was held to enhance the skills and professional growth of staff members, ensuring they are well-equipped to meet the evolving demands of the educational sector.

IIHMR University hosted the MANTHAN Essay Competition, engaging students across India in thought-provoking discussions, and organized an online Poster Making Competition themed "My Health, My Right" for World Health Day to boost student creativity and confidence.

IIHMR University conducted a visit to Nepal to explore academic, research, and training collaborations, engaging with organizations like PHRD Nepal, Public Health Concern Trust (PHECT), and Kantipur Dental College and Dental Hospital. This initiative aimed to internationalize academic programs and foster future research and training collaborations.

To bridge the gap between academic concepts and real-world application, we maintained vibrant interactions with industry professionals through Management Development Programs, Master Classes, Webinars, and the engaging Know Your Alumni series. Additionally, our esteemed faculty played a pivotal role in advancing academic knowledge through noteworthy contributions in research publications.

In expressing our heartfelt gratitude, we extend our thanks to the Board of Management for their unwavering support and guidance. Together, we continue to shape a future where knowledge thrives, and our contributions make a lasting impact on society.
