Executive Summary

Dr. P. R. Sodani

President
IIHMR University, Jaipur

I am happy to share the programs and activities done in September 2023 at IIHMR University, Jaipur. We organized TEDxIIHMRU on "Inspire, Innovate, Impact." This event featured inspiring speakers from various fields and benefitted students and faculty. For the newly admitted students in our MBA programs, 2023-25, we organized a Human Process Lab (HPL), which all the students appreciated.

We celebrated the Swachhata Pakhwadas from September 1-15, 2023, to intensify the focus on the issues and practices of Swachhata. Students were engaged in planning and organizing activities on the campus and outreach to various villages and communities. We celebrated the Teachers' Day on September 5, 2023. The students organized the programme to pay respect to teachers for mentoring and nurturing them.

On the campus, we organized a two-day Blood Donation Drive in honour of Late Shri P.D. Agarwal, the founder of TCI-Bhoruka Group, on September 17-18, 2023.

We conducted a WHO-supported Workshop on Empowering Adolescents to Lead Change Using Health Data on September 16, 2023. We also organized an International Training Program on Family Planning and Reproductive Health Commodity Security, September 18-29, 2023. This program was organized jointly with UNFPA Asia Pacific Region.

We continued to engage with industry experts through Management Development Programs, MasterClasses, Webinars and the Know Your Alumni series, fostering a bridge between theory and practice. Our faculty contributed significantly to academia through research publications.

We extend our gratitude to the Board of Management for their continuous support and guidance.

Management Development Programme

Management Development Programme on Hospital Management

September 21 - 22, 2023

In the heart of healthcare systems, hospitals play a pivotal role in safeguarding the well-being of communities. Recognizing the intricacies and demands of this vital sector, IIHMR University, Jaipur, recently organized an enriching Management Development Programme on Hospital Management, held in Kochi, India on 21-22 September 2023.

Participants from esteemed institutions such as the Directorate of Health Services, Govt. of Madhya Pradesh, NHM Uttar Pradesh, Nepal, and more, joined us for this transformative event.

Interactive Session with Students About Human Process Lab

September 08, 2023

IIHMR University in Jaipur hosted a dynamic session introducing students to the Human Process Lab..

This event, which unfolded just days ago, served as a conduit for students to connect with these respected figures within the academic sphere. It not only broadened their perspectives but also underscored the university's unwavering dedication to nurturing a culture of learning, mentorship, and personal development.

Swachhata Pakhwada 2023

September 01, 2023

In a country like India, 'Hygiene and Health' stand as paramount concerns. Our mission through the Swachhata Pakhwada program is to enlighten and empower vulnerable communities, leveraging the enthusiasm of our youth.

On September 2nd, we conducted an enlightening awareness drive at Kanota Higher Secondary Government School in Bassi Block, where we imparted valuable lessons on hygiene and cleanliness to rural school children.

Empowering Adolescents to Lead Change using Health Data in Jaipur (Global School Health Survey-Phase II)

September 16, 2023

The second review meeting on Global School Health Survey, Phase-II was held at IIHMR University on September 16, 2023. Besides, WHO (Country office and Rajasthan state office) and IIHMR team, the review meeting was attended by Additional District Education Officer, Block Chief Education Officers, School Principals, and their representatives. A total of 20 participants attended the meeting.

Celebration

Teachers Day Celebration

September 05, 2023

In a tribute and token of appreciation for their beloved educators, students of IIHMR University, Jaipur, organized a Teachers' Day celebration graced by the presence of Dr. P. R. Sodani, President of IIHMR University, Jaipur. The program featured various activities and heartfelt speeches, highlighting the multifaceted bonds between professors and students.

Dr. Sodani extended his heartfelt gratitude to the students for organizing such a memorable event, emphasizing the immense importance of recognizing the pivotal role that teachers play in nurturing future leaders.

**IIHMR Startups partnered with SIDBI Venture Capital Limited
And VIE Stories for supporting early-stage healthcare startups in
Raising Funds and getting Media Coverage.**

IIHMR Startups (A Unit of IIHMR Foundation) signed MoU with SIDBI Venture Capital Limited And VIE Stories in September 2023. These strategic partnerships will support early-stage healthcare startups in Raising Funds and getting Media Coverage.

SIDBI Ventures will support healthcare startups in raising funds. It is an investment management company and a wholly owned subsidiary of SIDBI, the Apex Financial Institution in the country for the MSME sector. SVCL has managed funds focused on different themes including Startups/early-stage technology businesses, manufacturing SMEs, service entities, agribusinesses, financial inclusion companies, etc.

VIE Stories is a business media platform for entrepreneurs and startups. It will cover our startups and publish their journeys through Video Talks, Interviews, Articles and News.

VIE Stories aim is to support and contribute in the “Make in India” initiative. Through their platform they want to inspire the youth to come up with innovative ideas and convert them into successful businesses.
