## Memorandum of Understanding (MoU)

Between

University of Rajasthan, Jaipur

and

IIHMR University, Jaipur

### Objective of the MoU

This Memorandum of Understanding (MoU) establishes a collaborative framework between the University of Rajasthan, Jaipur, and the IIHMR University, Jaipur. This collaboration aims to foster academic excellence, enhance research initiatives, and promote student development through joint activities, including internships, exchange programs, curriculum development, and research collaborations.

### Terms and Conditions

#### Internship Programs for Students

- Both institutions will offer internship opportunities to students to provide them with practical exposure to subject knowledge, research methodologies, and allied fields.
- The intern selection criteria will be jointly decided by both institutions, ensuring transparency and merit-based evaluation.

- Both institutions will provide interns with necessary mentorship, access to resources, and opportunities for skill enhancement.

#### Exchange Program for PhD Students

- Graduate, Post-graduate and PhD students from both institutions may participate in exchange programs to engage in fieldwork, collaborative research, or coursework.
- Each exchange program's duration and specific objectives will be mutually agreed upon.

#### Collaborative Curriculum Development

- The two institutions will collaborate to design courses and curriculum modules focusing on interdisciplinary areas such as public health, sociology of health, and sustainable development.
- Faculty members from both institutions will jointly develop teaching materials, case studies, and online resources to enhance the quality of education.
- Any curriculum changes or additions will align with the academic regulations and approval processes of the University of Rajasthan.

#### Research Proposals to Funding Agencies

- Both institutions will collaborate on the development and submission of research proposals to national and international funding agencies.
- Research proposals will focus on topics of mutual interest, including health sociology, urban development, gender studies, and public policy.
- A joint research advisory committee will be formed to oversee proposal development, submission, and implementation.
- Intellectual property rights and funding allocation will be shared as per mutual agreement between the two institutions.

#### Faculty Exchange Programs

- Faculty members from each institution may serve as visiting lecturers or researchers for specific durations to share expertise and knowledge.
- During exchange periods, faculty members will actively engage in teaching, research, and mentoring activities.
- Travel, accommodation, and other logistical arrangements will be decided on a case-by-case basis and agreed upon by both parties.

### Dissertation Co-Supervision

- Faculty members from IIHMR University may be co-supervisors for dissertations of Postgraduate and PhD students from the University of Rajasthan after fulfilment of the eligibility criteria with other conditions and completing the due process of the University.
- Co-supervisors will provide expert guidance in research methodology, data analysis, and report writing.
- The primary supervisor will be a faculty member from the University of Rajasthan, while IIHMR University faculty will serve as academic collaborators and vice-versa.

### Joint Evaluation of Academic Work

- Both institutions will jointly evaluate dissertations, research projects, and internship reports to ensure a balanced and comprehensive academic perspective.
- Evaluation panels may include faculty members from both institutions, with mutual agreement on their selection.

### Joint Workshops, Seminars, and Conferences

- The institutions will co-organize academic events such as workshops, seminars, and conferences on topics of mutual interest.
- These events will provide platforms for knowledge exchange and networking among students, faculty, and researchers.

### General Terms

- The MoU will remain in effect for 3 years from the date of signing, with the possibility of renewal upon mutual agreement.
- Either party may terminate the MoU with a written notice of 30 days, provided all ongoing activities are concluded amicably.
- All disputes arising under this MoU will be resolved amicably through mutual discussions between the two parties.

### Confidentiality

- Both parties agree to maintain confidentiality of sensitive data, research findings, and academic materials shared during collaboration.
- Information will not be disclosed to third parties without prior written consent from the concerned institution.
