1. Partner Background

About IIHMR University, Jaipur

The genesis of the **IIHMR University, Jaipur** (First Party) dates to October 5, 1984, when the Indian Institute of Health Management Research (IIHMR) was established. The IIHMR University has been established and incorporated as a postgraduate research University by the Government of Rajasthan vide the IIHMR University, Jaipur Act, 2014 (Act No. 3 of 2014). IIHMR University is UGC-recognised and NAAC-accredited. IIHMR University is dedicated to the improvement in standards of health through better management of health care and related programs. It seeks to accomplish this through management research, education, training, consultation, and networking from a national and global perspective. IIHMR University offers MBA (Hospital and Health Management), MBA (Pharmaceutical Management), MBA (Development Management), MBA (Healthcare Analytics), and Master of Public Health (Offered by Johns Hopkins Bloomberg School of Public Health, Baltimore, MD, USA in cooperation with IIHMR University, Jaipur, India), Master of Public Health (Implementation Science) program under the WHO-TDR postgraduate training scheme., Executive Education Programs, Online Certificate Courses and PhD programmes. IIHMR University has strong collaboration with Johns Hopkins University, USA; University of Manchester, UK; University of Montreal, Canada, Management and Science University (MSU) Malaysia, MENDEL University; Curtin University Malaysia, and Rajasthan University of Health Sciences for academic advancement, student exchange, faculty exchange, and joint research programs.

About PopulationCouncil Consulting Private Limited, Noida

PopulationCouncil Consulting Private Limited (PCC) is a global advisory firm located in Noida, India. The company offers evidence-based solutions to governments, non-profits, multilateral and bilateral agencies, corporations, foundations, and philanthropists across Asia, Africa, and Latin America. Its services include strategic advisory; data and evidence synthesis; program design; implementation monitoring and research; process and impact evaluations; professional development; and technology-focused solutions. PCC's work informs the scale-up of sustainable methods for increasing access to, improvement of data quality and measurement systems, and use of health care by providing evidence on the range and strength of services available and evaluating strategies to improve the effectiveness of service delivery. Through research, PCC provides policy and programmatic guidance for strategies that offer comprehensive care targeted to women's individual needs. PCC delivers efficient solutions on pressing health and developmental issues by driving transformation using evidence-based

winning solutions to give a voice to vulnerable communities and improve developmental outcomes that affect quality of life. PCC team of experts range from epidemiologists, public health specialists, data scientists, economists, and management and developmental professionals. The firm's multi-disciplinary global team of professionals and consultants brings a combination of technical expertise, strategic thinking and innovative solutions, to support its clients for a positive and lasting impact.

2. Scope of MoU

The scope of this MoU establishes a comprehensive framework for sustained collaboration in key areas, including Research, Training, Academics, and Consultancy.

3. Purpose

The purpose of this MoU:

- a) Develop and submit joint research proposals to various investors, including national and state governments, multilateral and bilateral institutions, private, family and individual philanthropies as well as social sector enterprises.
- b) Develop and publish joint research papers, working papers, and policy briefs to disseminate knowledge.
- c) Develop and organise training programmes, workshops, conferences, seminars, webinars, and stakeholders' consultations.
- d) Explore internship opportunities for IIHMR University's postgraduate students at PCC.
- e) Exposure visits for postgraduate students and training participants to enhance their understanding of the health and development sector landscape.
- f) Jointly organise stakeholder meetings for promoting research in areas of mutual interest.
- g) Identify and engage in further areas of cooperation as mutually agreed upon over time.

4. Financial Arrangements

This MoU will not give rise to any financial obligation by one Party to the other. Each Party will bear its own costs and expenses in implementing and operationalizing the Scope of this MoU.

5. Confidentiality

Each Party shall always maintain the utmost confidentiality regarding the contents of this MoU, and no Party shall use or disclose any confidential information of the other Party for any other purpose.

6. Force Majeure

Both Parties shall not be responsible for any failure to perform due to unforeseen circumstances or causes beyond their reasonable control, including but not limited to acts of nature, war, riots, embargoes, acts of civil or military authorities, fire, floods, accidents, terrorist acts, strikes, or shortages of transportation, facilities, fuel, energy, labor, or materials. If any such aspect is beyond the control of participating agencies, appropriate strategies would be worked out to compensate for the activities/ schedules accordingly.

7. Liability

Both Parties shall be solely liable for any damages/claims against them in connection with the exercise of the objectives of this MoU hereunder unless both parties agree otherwise. Liability for specific activities jointly undertaken by parties shall be referred to in the specific agreements executed.

8. Duration

The MoU would be effective for three years from the date of its execution (i.e., signing by both parties). It may be extended after the expiry of three years on such terms and conditions as may be mutually agreed upon.

9. Termination

Either Party may terminate this MoU by prior written notice for 30 days without prejudice to any other remedy for any breach of the MoU.

10. Amendments

- Either Party may request in writing a revision, amendment or modification of all or any part of this MoU.
- Any revision, amendment or modification agreed to between the Parties shall be in writing and come into force on such date as determined by the Parties and shall form part of this MoU.

11. Conflict of Interest

Both Parties warrant that this MoU is not likely to conflict with any of their organisational, financial, contractual, or other interests relating to the activities under this MoU. Both parties also agree that this MoU will not be treated as a deterrent to allowing similar activities or collaboration with other organisations.

12. Resolution of Disputes

Any dispute arising between the Parties to this MoU will be heard by an Arbitrator who will be

appointed after consulting both parties.

In witness whereof, the duly authorised representatives of the collaborating parties sign this Memorandum of Understanding.

The Parties herein have entered into and executed this MoU on the date mentioned above.
