Dear President Sodani,

On behalf of the Social Innovation in Health Initiative (SIHI) Secretariat and the SIHI Network, we are pleased to formally recognize the **IIHMR University** as an official **SIHI hub**.

This recognition reflects your Department's demonstrated commitment to advancing social innovation in health through research, capacity building, and advocacy. As a SIHI Hub, the university can contribute actively to SIHI's vision and mission by:

- Generating and sharing evidence on social innovations in health
- Collaborating with SIHI partners and fellow hubs globally to strengthen health systems
- Supporting knowledge exchange, capacity strengthening, and advocacy efforts at local, national, and global levels
- Representing SIHI values of equity for all, inclusive diversity, shared leadership, and co-creation

We warmly welcome the **IIHMR University** into our vibrant global network of SIHI Hubs.

The SIHI Secretariat looks forward to working closely with your team as part of the Network. Please accept our congratulations on this milestone and our appreciation for your commitment to this shared mission.

Sincerely,

Meredith del Pilar-Labara  
Lead, SIHI Secretariat
