

Policy on Good Health and Well-being

2022-23

IIHMR University not only focuses on academic excellence but also places importance on the physical fitness of its students. The university has many well-established sports facilities within the campus premises, including a badminton court, basketball court, Volleyball, swimming pool, Lawn tennis, table tennis, and a gym.

The university believes in promoting good health and well-being not only among its in-campus students but also within the community in the nearby vicinity. To encourage and foster good health among the nearby community, the university shares these sports facilities with nearby school students. Some of these facilities are completely free of charge to the community students, while others are available for a nominal fee. In addition to this open-door policy, the university also encourages student participation in inter-college competitions and, at the same time, conducts inter-college sports competitions.

Following sports facilities are available free of charge/ nominal charges (Only for the preparation of Access Card) for the local community and students.

S. No.	Sports Facility
