

About the MoU

National Family Health Survey-6 (NFHS-6) activities in Rajasthan (East) & Uttarakhand.

The Memorandum of Understanding (MoU) was executed to support the implementation of National Family Health Survey-6 (NFHS-6) activities in Rajasthan (East) and Uttarakhand. The MoU facilitates institutional collaboration to support effective planning, coordination, monitoring, and technical support for survey operations. It aims to ensure high-quality data collection, adherence to national protocols, and timely execution of field activities. Through this collaboration, stakeholders help strengthen evidence-based public health decision-making. The MoU is non-financial in nature and focused on academic, research, and technical cooperation.
