## Memorandum of Understanding between

ASEM Education & Research Hub for Lifelong Learning  
and

Stakeholders interested in promoting Lifelong Learning in the South Asia Region

### Background:

This Memorandum of Understanding (MoU) is entered into by and between the ASEM Education and Research Hub for Lifelong Learning (hereafter ASEM LLL Hub), represented by Dr Seamus Ó Tuama, Chair of the ASEM LLL Hub and Stakeholders committed to work with Lifelong Learning in South Asia Region, collectively referred to as the "parties", on this day, February 1<sup>st</sup>, 2024.

### Objective:

The parties hereby enter into this MoU to establish a framework for collaboration and partnership in the promotion of lifelong learning research and policy formation. The MOU is aimed at generating mutual benefit for all parties; to help promote the achievement of the ASEM LLL Hub strategic vision as expressed in "A Framework for Lifelong Learning Research in the ASEM Region: 2020-2025"; to facilitate greater visibility and participation by stakeholders interested in promoting Lifelong Learning in the South Asia Region and the activities of the ASEM LLL Hub; to offer the stakeholders interested in promoting Lifelong Learning in the South Asia Region support in framing its own lifelong learning vision.

### Terms and Conditions:

#### 1: Scope of Collaboration

The parties agree to collaborate on lifelong learning research and policy formation for mutual benefit and to achieve common objectives.

#### 2: Roles and Responsibilities

Each party shall outline its roles, responsibilities, and contributions to the collaborative efforts. Regular communication and coordination will be maintained to ensure the success of the collaboration.

#### 3: Resource Sharing

The parties may share resources, including but not limited to data, facilities, expertise, and personnel, as deemed necessary for the successful implementation of collaborative projects.

#### 4: Confidentiality

The parties acknowledge the sensitivity of certain information that may be exchanged during the collaboration. Both parties agree to maintain the confidentiality of such information and to use it solely for the purposes outlined in this MoU.
