EVENT OUTCOME REPORT

“Master Class Episode no 105”

“Master Class Episode No 105
Topic: - “Unlocking Opportunities – Strategies for advancing your clinical research career”
Date: - 29 th April 2024 from 4:00 pm to 5:00 pm
Venue: - Online Mode INDIA(IST), IIHMR University
Speaker: - Dr. Pramod Kashid , Executive Director Clinical Trial Management – Asia Specific Medpace, Singapore.
Number of participants: - 62 students from Pharmaceutical Management Batch -15
Introduction: - The 105 episode of the Master Class titled – “Unlocking Opportunities – Strategies for advancing your clinical research career”. This session featured: - Dr. Pramod Kashid sir, Executive Director Clinical Trial Management – Asia Specific Medpace, Singapore. as the guest speaker. The event was moderated by Dr. Ashok Peepliwal , Professor, School of Pharmaceutical Management, and student moderator Ms. Shefali Karmore from the MBA PM 15 batch. The session focus on “Clinical Research Career in Pharmaceutical Business”.
Objective: - The objective of this regulatory session was to enhance understanding and opportunities in the realm of clinical research careers in the pharmaceutical industry.
Salient Novel Points Covered: Role: Dr. Pramod Kashid emphasized the critical importance of implementing effective strategies for advancing one's clinical research career, stressing the significance of continuous professional growth and development. Challenges and Opportunities: - Challenges and Opportunities in Clinical Research: - Regulatory compliance is crucial for market entry but can lead to growth opportunities. - Adapting to diverse regulations requires flexible strategies for market expansion. - Complex product development demands investment but offers competitive advantages. -Technology enhances efficiency but raises data compliance concerns, presenting opportunities for research enhancement. Q &A and Interactive Discussion: The session encouraged active participation from students, who asked insightful questions based on the industry requirement and the skills needed to work in the future.
Future Scope: Looking forward, the masterclass on "Unlocking Opportunities – Strategies for advancing your clinical research career" has significant potential in a rapidly evolving field. With growing demand for skilled professionals, expanding the program online can provide global accessibility. By offering the latest industry insights and advancement strategies, participants can prepare for future career challenges. The masterclass's success relies on adaptability and top-notch guidance for navigating the dynamic clinical research landscape.
Appropriate caption for the seminar: - " Advancing Your Clinical Research Career: Unleashing Opportunities and Strategies"
