EVENT OUTCOME REPORT

“Master Class Episode no 98”

“Master Class Episode No 98”
Topic: - India MedTech Policy Framework
Date: - 08 Jan 2024 from 10:00am to 1:00pm
Venue: - LH-11, IIHMR University
Speaker: - Dr. Ravi Rathod (General Manager- Policy and Strategic Affairs(Regulatory) Innovation Healthcare Private Limited New, Delhi, India)
Number of participants: - 66 students from Pharmaceutical Management Batch -14 and 15
Introduction: - The 98 th episode of the Master Class titled " India MedTech Policy Framework" was held on 08 Jan 2024, at IIHMR University. This session featured by Dr. Ravi Rathod(General Manager- Policy and Strategic Affairs(Regulatory) Innovation Healthcare Private Limited New, Delhi, India as the guest speaker. The event was moderated by Mr. Rahul Sharma Assistant Professor of Pharmaceutical Management and student moderator Ms. Asmita Kashinath Patil from the MBA PM 14 batch. The session focus on " India MedTech Policy Framework”
Objective: - The master class aimed to provide insights on Indian MedTech Policy Framework.
Salient Novel Points Covered: Role: Dr. Ravi Rathod sir emphasized the importance of India's MedTech policy framework, which is crucial for fostering innovation, ensuring quality healthcare access, and driving industry growth by streamlining regulations and promoting R&D. It serves as a catalyst for attracting investments, enhancing infrastructure, and encouraging collaborations between stakeholders, ultimately advancing healthcare delivery across the country. A robust policy framework also aids in aligning standards, improving affordability, and propelling India's MedTech sector onto the global stage. Challenges and Opportunities: Understanding the India MedTech policy framework presents students with an opportunity to grasp the complexities of regulatory compliance, innovation, and market dynamics within the healthcare sector. Challenges lie in navigating evolving regulations, balancing innovation with patient safety, and addressing accessibility concerns, offering students a chance to engage in impactful problem-solving and contribute to shaping a more inclusive and advanced healthcare landscape in India. Exploring these challenges also opens avenues for students to collaborate, innovate, and create sustainable solutions that address real-world healthcare needs. Q &A and Interactive Discussion: The session encouraged active participation from students, who asked insightful questions based on the industry requirement and the skills needed to work in the future.
Future Scope: The future of India's MedTech policy framework holds promise in further incentivizing indigenous innovation, fostering public-private partnerships, and integrating digital health technologies to enhance healthcare accessibility and affordability nationwide. Continued adaptation to evolving technologies and global best practices will be vital in ensuring a dynamic, responsive framework that meets the evolving needs of India's healthcare landscape.
