Introduction: - The 116 episode of the Master Class titled Insight into mapping your career path from campus to corporate: key skillsets and their applications - held on 12 th September 2024, at IIHMR University. This session featured: - Mr. Hitesh V Khandelwal, Regional Business Manager at Johnson & Johnson, Pune, Maharashtra, as the guest speaker. The event was moderated by Mr Vinod Tejwani, Placement Committee, School of Pharmaceutical Management and student moderator Ms. Salony Priya from the MBA PM15 batch. The session focus on into “Mapping your career path from campus to corporate: key skillsets and their applications”.
Objective: - The masterclass aimed to provide students with in-depth knowledge of oncology and hematology, offering insights into the healthcare industry, specifically focused on cancer care and patient outcomes.
Salient Novel Points Covered: Role: Hitesh V. Khandelwal, Regional Business Manager at Johnson & Johnson, shared his extensive experience of over eight years in sales and marketing. He emphasized the critical role of leadership, innovation, and connectedness in the pharmaceutical industry, especially in oncology and hematology. His passion for improving the lives of cancer patients through creative strategies and patient-focused solutions highlighted the impact of these sectors. Q&A and Interactive Discussion: The session encouraged active engagement, with students asking insightful questions regarding the skills required to enter the corporate world and the challenges in the oncology sector. Mr. Khandelwal’s responses offered valuable lessons on leadership, teamwork, and adaptability in an ever-evolving healthcare landscape.
Future Scope: This masterclass serves as a foundation for students to build the necessary skills to thrive in the healthcare industry. By learning from a dynamic leader like Mr. Khandelwal, students are better equipped to pursue successful careers in oncology, hematology, and the broader pharmaceutical sector, with a focus on improving patient care and driving innovation.
