Introduction: - The 123th episode of the Master Class titled " Leveraging AI for capacity building in Healthcare " was held on 27 th November, 2024, at IIHMR University. Dr. Aditya Bhandari (Senior Programme Officer , Maternity Foundation) Dr. Arunabh Ray (Maternity Foundation) and Dr. PR Sodani Sir for the welcome address. The event was moderated by Dr. PR Sodani sir, and student coordinator Dr. Kassamkuthiyal Rohan George from the MBA HOM 28 batch. The session focused on Leveraging AI for capacity building in healthcar
Objective: - The masterclass aimed to help students understand the function of Maternity Foundation and how AI is used to build new talent, infrastructure and leverage the use to improve healthcare
Salient Novel Points Covered: Role: Dr. Aditya Bhandari showcased the use of safe delivery app, to help healthcare workers to understand the process of safe delivery and other areas of maternity health. Q &A and Interactive Discussion: The session encouraged active participation from students, who asked insightful questions based on the industry requirement and the skills needed to work in the future.
Future Scope: The session on the Maternity Foundation introduced the Safe Delivery App , a vital tool for healthcare workers in remote areas to improve maternal and child health. The app provides step-by-step guidance on managing obstetric and neonatal emergencies through videos and animations. It bridges knowledge gaps in low-resource settings, empowering midwives and nurses to deliver life-saving care. Success stories showcased its impact in reducing maternal and infant mortality. The app is a crucial step towards achieving better health outcomes globally.
