Date: - 03 rd March 2021 from 04 :00 pm to 05:00 pm
Venue: - online, IIHMR University
Speaker: - Ms. Richa Deb Gupta, Sr. VP Senior Vice President Strategy and Operations at Fortis Healthcare
Number of participants: - 41 students from IIHMR University, Jaipur
Introduction: - The Master Class titled - Healthcare Analytics & why it Matters held on 03 rd March 2021 from 04 :00 pm to 05:00 pm, at IIHMR University. This session featured: - Ms. Richa Deb Gupta, Sr. VP Senior Vice President Strategy and Operations at Fortis Healthcare. The event was moderated by Dr. Sandesh Kumar Sharma, Associate professor, IIHMR University Jaipur. The session focuses on Healthcare Analytics & Why it Matters.
Objective: - The objective of this session was to enhance understanding of Healthcare Analytics and its Importance.
<p>Salient Novel Points Covered:</p> <ul style="list-style-type: none"> • Healthcare analytics (HCI&A), also known as healthcare information technology has rapidly evolved with the emerge of advanced data analytics technologies applied to the medical domain. • Currently, HCA has emerged as an important area of study for both practitioners and academic researchers. • HCA covers four important segments such as the underlying technologies, system applications, system evaluations, and emerging research areas. • the popularity of HCA emerges and leads to the revolutionization of the whole healthcare industry.
<p>Future Scope:</p> <p>The masterclass "Healthcare Analytics & Why It Matters" has a lot of potential going forward. Given how quickly the healthcare and hospital industries are developing, there will be a huge need for qualified workers in this sector. By using online channels to extend the masterclass's reach, more professionals and students worldwide will have access to it. The integration of contemporary academic programs, industrial collaborations, and healthcare analytics modules will provide participants with the necessary tools to effectively address forthcoming obstacles. The masterclass's future essentially rests on its capacity to adapt and its dedication to remaining at the forefront of efforts to improve understanding of healthcare analytics.</p>
<p>Appropriate caption for the seminar:</p> <p>Transforming Data into Better Care: How Healthcare Analytics Drives Smarter Decisions and Improved Outcomes.</p>
