

Online Certification Programmes 2023-24

*Unlock Your Potential:
Transform Through Training*

Message from President

We are delighted to share the **Online Certification Programmes Calendar for the year 2023-24**. Our faculty team has meticulously curated this comprehensive calendar, which outlines the programme schedule, themes, and the esteemed faculty members who will be spearheading these sessions.

At IIHMR University, we offer an array of enriching programme aimed at equipping participants with the knowledge and skills that not only drive actionable results but also bestow immediate value upon their careers. Our online certification programmes immerse participants in a transformative living-learning experience, fostering meaningful connections with executives from diverse backgrounds. These programmes encompass a wide spectrum of subjects, including health management, hospital management, pharmaceutical management, and development management, all led by a cadre of experienced and esteemed faculty members. It is an all-encompassing experience designed to significantly enhance the professional journey of our participants.

The Online Certification Programmes Calendar for 2023-24 has been thoughtfully structured to provide a focused and methodical approach to professional development and skill augmentation. We invite you to explore these opportunities, as they hold the promise of not just enhancing your knowledge but also enriching your career trajectory.

Best wishes
Dr. P.R. Sodani
President
IIHMR University

About IIHMR University

The genesis of IIHMR University dates to October 5, 1984, when the Indian Institute of Health Management Research (IIHMR) was established. In 2014, IIHMR University was established and incorporated as a postgraduate research university by the Government of Rajasthan vide the IIHMR University, Jaipur Act, 2014 (Act No. 3, of 2014).

Our multi-disciplinary faculty, representing Public Health, Hospital Management, Health Management, Pharmaceutical Management, Development Management, Economics, Statistics, Demography and Social and Behavioural Sciences provides an enabling environment for learning and professional growth and development.

IIHMR University offers the following programmes :

- MBA (Hospital and Health Management)
- MBA (Pharmaceutical Management)
- MBA (Development Management)
- Ph. D.
- Master of Public Health
 - Offered by Johns Hopkins Bloomberg School of Public Health, Baltimore, USA, in cooperation with IIHMR University*
- Master of Public Health (Implementation Science)
 - Fully funded WHO-TDR programme*
- Master of Public Health (Executive)

2. GST as applicable will be charged extra on all the programmes in addition to the programme fee. The programme fee includes tuition and background reading material.
3. The above programmes will be delivered in a Live Online format over the MS Team/Zoom platform.
4. IIHMR University, Jaipur reserves the right to change faculty or cancel programmes at its discretion."

Custom Training Programmes (CTPs)

The University collaborates with the organizations to design and deliver custom programmes that address the organization's specific training needs. Such custom programmes involve close cooperation between the organization's leaders and the IIHMR faculty to plan, design, and conduct the programme, to ensure maximum impact and relevance. The programme includes a combination of highly interactive classroom sessions, case discussions, small group exercises, and intensive study groups to encourage participants to think strategically and effectively manage change in their organizations.
