<u>S.No.</u>	<u>Agenda items</u>	<u>Discussion points</u>
1.	Organize outreach activities aligned with the Sustainable Development Goals (SDGs)	It was discussed that various outreach activities aligned with Sustainable Development Goals (SDGs) should be organized on a regular basis to promote social responsibility and community engagement. Event report should be uploaded on website for wider community.
2.	Green Campus Initiatives	The Chairperson emphasized that IIHMR University is committed to creating an environmentally responsible campus. Many initiatives have been taken such as any initiatives have been taken such as Green Landscaping and Tree Plantation, Plastic-Free Campus Drive, Cleanliness and Hygiene Drives. The Chairperson further stressed the need to introduce and implement additional initiatives to strengthen sustainability efforts.
3.	Energy Conservation Measures	Dr. Anoop Khanna emphasized the importance of energy conservation measures, including the use of energy-efficient LED lighting, promotion of renewable energy sources such as solar energy, and conducting periodic energy audits. He informed the committee members that conducting a Greenhouse Gas (GHG) audit has become increasingly important, and IIHMR University should also move in this direction
4.	Organise awareness Programmes on the Sustainable Development Goals (SDGs) for faculty, staff and students	Dr. Aarti Sharma suggested that activities such as quizzes, poster-making competitions, and guest lectures should be organized to create awareness about the Sustainable Development Goals (SDGs).

5.	Discussion on the availability of various committees related to Sustainable Development Goals (SDGs).	Ms. Kirti Agarwal informed the committee members that the following committees are in place related to the Sustainable Development Goals (SDGs) such as Campus Accommodation Committee for Differently Abled Person, EDI Committee, Ethical Compliance Committee.
6.	Discussion on Green, Energy and Environment Audit	The Chairperson highlighted the critical role of Green, Energy, and Environment Audits in promoting sustainable practices. He informed that IIHMR University regularly conducts these audits.

The Chairperson conveyed thanks to all the committee members for their valuable contributions.
