Over 200 alumni reunite to visit their alma mater and to memorize their old days while they were studying at IIHMR University.

The Maitreya-2016 Alumni meet was organised with the theme of promoting friendship and fraternity. Speaking for the inaugural, Dr Ashok Kaushik, Dean Academic and Student Affairs, IIHMR University shared the relevance and impact that Alumni can have of any organisation. They set the path ahead are the pioneers to the industry.

Dr S D Gupta, Chairman, IIHMR University shared with the alumni of the journey of IIHMR and How each one of them have contributed to this fruitful long journey.

The trail blazing prints: All the participating Alumni gave us colorful memories to cherish with their palm prints. These prints have become the guiding stars for the forthcoming students because of the displayed colors of grit, dedication and commitment.

There were various fun filled activities organized for the participating Alumni. One such activity was picking a choice and perform. The Alumni and the junior batches enjoyed a lot playing this game, witnessing the amazing multi skills of their Alumni.

The famous childhood game of 'rumal jhapatta' took them all down the memory lane, further breaking ice and building up camaraderie. Their expressions of fun and frolic were clearly visible and displaying the true managerial strategic thinking for the winning situation.

The tug of war was not only fun filled but also full of cheer, laughter and achievement but also showing their team solidarity and winning over was clear evident from the activity.

The childish glee and the happiness of all the alumni came alive on the special photobooth set up for them. Adorned with fun and musical props and multicolored sets, they all happily relived their moments.

Some golden glimpses:
