

**Report on Alumni Meet,
Jaipur
February 20-21, 2016**

The IIHMR University organized Rural Alumni Meet 'Pearl' on February 20-21, 2016 at its Jaipur Campus. It was held for two consecutive days. On the first day (on 20th Feb 2016), all the alumni were welcomed and introduced. In the inaugural session, Dr Ashok Kaushik (Dean Academics, IIHMR University) welcomed and expressed his thanks to the alumni for gracing the occasion. After that, Dr Goutam Sadhu and Dr S. D. Gupta, President IIHMR University addressed the alumni and talked about the activities of School of Rural Management.

Then, a short documentary was showcased to the alumni which really took them down the memory lane. The alumni shared their experiences during their study time in IIHMR and their professional journey during their service tenure. They thanked the IIHMR University team for rolling down the initiative of alumni meet and expressed their desire for such events soon also. In the evening, various games were organized for them to cherish good old days followed by gala dinner.

On the next day (21st Feb 2016), expert session was conducted by senior development professionals to share insights on 'Career Growth of a Rural Management Professional'. Then the programme was concluded by giving thanking notes, address by Chief guest and dignitaries, followed by award session.

The Alumni meet for health, hospital and Pharmaceutical stream was organized in September 2015 for reunion and strengthening the relations with alumni. The senior alumni from different stream participates and share their experience with current students. The current students get benefited with knowledge and experience shared by Alumni. The program was compiled with cultural and gala dinner at IIHMR Jaipur.
