

The Dispatch

Issue -11

(May 2020-July 2020)

IIHMR University, Jaipur Ranked 65th in NIRF India Ranking 2020

We are proud to announce that IIHMR University has been ranked 65th in the prestigious National Institutional Ranking Framework (NIRF) India Ranking 2020 announced by MHRD (Ministry of Human Resource Development), Government of India. We have secured a position in Top 1% management institutions in the country and have climbed up seven positions in the Ranking from the 72nd rank. It is a validation of all the efforts we have taken in the past year and consistently before that to enhance the learning experience we offer our students. We feel privileged to be the only private management institution from Rajasthan in this Ranking. Congratulations to the entire IIHMR University family.

IIHMR University Ranked 11th in the Education World Private University Rankings, 2020

IIHMR University, Jaipur, has been ranked 11th in the prestigious Education World Private University Rankings 2020 -21. This is the fourth consecutive year that we have ranked among the top 20 Universities, raising the charts and now inching towards the Top Ten.

IIHMR University is also the second-ranked university in Rajasthan according to the rankings by Education World. The current Ranking considers several parameters, including research and innovation, curriculum and pedagogy, industry interface, placement, infrastructure and facilities, leadership, and governance quality.

These rankings are a testament to our efforts to excel in each of these areas, creating the best learning environment for our students and presenting them with exceptional placement opportunities.

Initiating Online MDPs in IIHMR University

IIHMR University has taken the initiative to offer online training programs to encourage people to use the time for self-study and learn new skills online.

Training is an integral part of the IIHMR University, with over half of the world's population in lockdown. Keeping in mind that this pandemic situation will last for an extended period. Also, there will be an effect over offline MDPs (in Campus) during the post-pandemic situation.

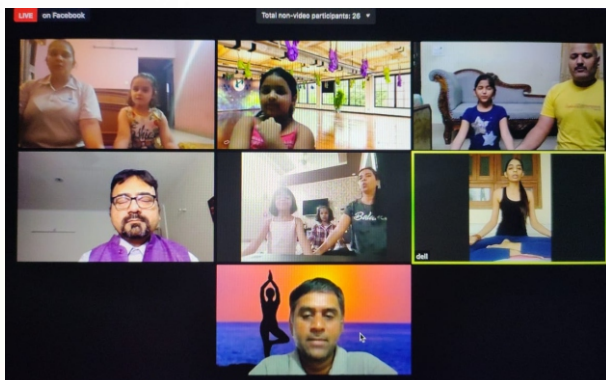

The department researched many online tools and techniques and conducted rigorous meetings with faculties and IT staff of IIHMR University to understand and take feedback on the same. We are grateful that we have received good response from the faculties and received significant online topics like COVID19 Outbreak; Procurement and forecasting of Medicines and Health Products, Rejuvenation of Managerial Effectiveness, AI for Healthcare, Empowering Women Executives in Public Health, Strategic Planning for Successful Business Enterprise, Epidemiological Diseases Surveillance, etc.

We are under process of finalizing our online portal with the help of IT department, and e-Learning tool is designed as it is interactive, easily accessible and cost-effective, in which the course coordinator has to design and prepare his/her course PPTs, articles, research papers, online descriptive videos, and assignments. The course coordinator's material will be uploaded on the online portal with the help of the IT department. As per the participant's perspective, the participant needs to register him/her self on the online EDX and pay the online registration fee with the help of no paper form registration, after that participant has the access of the online training program in which the participant register him/her self. After completing the duration of the program, the online certificate will be provided to the participant.

International Yoga Day

To mark the International Yoga day, IIHMR University conducted a virtual Yoga Session for the entire IIHMR family on June 21, 2020. The yoga session was taken by yoga trainer Yogini Neetu Choudhary. Dr. Pankaj Gupta, President, IIHMR University, shared insightful information on the mind, body, and soul and how to keep ourselves mentally healthy during these unprecedented global pandemic times.

IIHMR University hosted its first E-Convocation

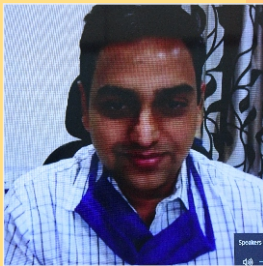

IIHMR University hosted its first E-Convocation for the Class of 2020 on July 4, 2020. IIHMR University's 6th Convocation Ceremony was an extraordinary event for all our graduating students and guests. Cabinet Minister of Medical & Health, Government of Rajasthan, Dr. Raghu Sharma, was the Chief Guest at convocation. Ms. Priyanka Agarwal, Managing Director & Partner, Boston Consulting Group (BCG), New Delhi, was the Guest of Honour for the convocation. Dr. Pankaj Gupta, President, IIHMR University, welcomed the guests and presented the university's annual report. Dr. S D Gupta, Chairperson, IIHMR University, also addressed the students.

It was a milestone event for all. It was a moving recognition of our graduates' professional accomplishments, unbelievable dedication and commitment, and the unfailing support of family and friends who helped make their achievements possible.

E-Inauguration of MBA Hospital and Health Management, MBA Pharmaceutical Management, MBA Rural Management, and Ph.D. Programs 2020

IIHMR University held the E-inauguration of MBA and Ph.D. programs of the new Academic Session 2020-21 on 22 July 2020. Over 200 students enrolled for MBA courses, while 30 scholars have enrolled for the doctoral course this year. Dr. Prithvi Raj, Secretary Finance (Revenue), Government of Rajasthan, was the Chief Guest and delivered the inaugural address. Dr. Ram Narain, Chief Operating Officer, Emirates Hospitals Group, Dubai, Mr. Tavinder Jit Singh Vasudeva, President and Chief Business Officer, Global Markets, MicroLabs, and Mr. Sudarshan Suchi, Secretary-General, SOS Villages India, were the Guests of Honour. Dr. P. R. Sodani, Pro-President, IIHMR University welcomed the guests and students. Dr. S.D. Gupta, Chairman, IIHMR University presided the program.

Dr. Prithvi Raj
Secretary Finance (Revenue),
Government of Rajasthan

Chief Guest, Dr. Prithvi Raj, Secretary Finance (Revenue), Government of Rajasthan, said, "IIHMR is a reputed institution known for its market-oriented education; you have chosen the right alma mater. IIHMR has the edge over the others due to its collaborations with top-tiered institutions in medical education. Medical education is important – the medical education institutions built in the state in the past few years are helping the government a lot in tackling the corona scenario".

Dr. P R Sodani, Pro-President, IIHMR University, said, "Our students have contributed to society as a part of government bodies and non-government organizations and pharmaceutical companies and developmental organizations. IIHMR has collaborated with Johns Hopkins Bloomberg School of Public Health, the oldest and largest independent graduate school of public health in the world, since 2013 and has brought their prestigious Master of Public Health (MPH) degree program in India."

Dr. P.R. Sodani
Pro President & Dean,
IIHMR University:

Dr. S.D. Gupta
Chairperson,
IIHMR University

Dr. S.D. Gupta, Chairperson, IIHMR University, said that only knowledge in Healthcare is not enough; practice is a critical component. Learning by doing is hence essential.

Dr. Rani S Ladha, Provost, IIHMR University, Dr. Ashok Kaushik, Academic Advisor, IIHMR University, Dr. Saurabh Kumar, Dean - SPM, IIHMR University, Prof Rahul Ghai, Dean - SDS, IIHMR University, were also present during the E-Inauguration. Apart from them, IIHMR alumni who virtually addressed the new students were Ms. Sheenu Jhawar, Director, Apex Hospital Pvt Ltd, Jaipur, Mr. Kuldeep Dabas, Manager - Intl Business Development, Ind-Swift Limited, and Ms. Neha Jain, State Monitoring and Evaluation Manager, Rajasthan, Child Rights and You (CRY). The program concluded with the National Anthem.
