ISSUE 14

APRIL 2021- JUNE 2021

IIHMR UNIVERSITY HAS BEEN RANKED 13TH IN INDIA AND 2ND IN RAJASTHAN IN THE EDUCATION WORLD

It is a matter of pride and happiness for all of us to share the news that IIHMR University has been ranked 13th in India and 2nd in Rajasthan in the Education World Rankings 2021. The growth over the years is phenomenal and we are in the list of India's top ranked private universities league table.

We are committed towards achieving greater success in future with better academic experience and world class exposure. Our growing reputation is the result of our dedication leading to successful careers for our students. Our ranking is reflecting our commitment towards providing a better learning environment and research driven culture in the academic world. With this, we take the opportunity to thank each one of you for being an integral part of this success. With continuous efforts together, we shall be able to take IIHMR University to the greater heights.

PRESIDENT'S NOTE:

Alumni Mentoring Program this year is a unique initiative undertaken by IIHMR University, Jaipur. Our alumni located in various parts of the world will act as mentors to the current back of students to encourage learning and help build networking skills.

- Dr. P R Sodani,
President, IIHMR University, Jaipur

ALUMNI MENTORING PROGRAMME

Alumni Mentoring Programme is a unique initiative undertaken by IIHMR, University, Jaipur. Through this programme students are connected with alumni who serve both as a guide and a source of inspiration for them. Alumni Mentoring Programme is launched with the goal of keeping the alumni connected to their alma mater as well as share their valuable experiences with the current students.

FRAMEWORK OF MENTORSHIP PROGRAMME

Under this programme, we invite our alumni from across the globe and from different domains after graduation. With the students facing crossroads at every other turn and unable to choose what's best for them due to a lack of insight into how things would actually materialize with each road that they choose to take, it becomes crucial that they are guided by people who have faced the same crossroads during their academic life and the competitive world beyond it.

The Alumni with their vast repository of personal & professional experiences can help improve insight among students into diverse aspects of life which include academics, extracurriculars, the professional life after college or the general way of life.

Any institutions' alumni are key for its growth.

They serve many valuable roles.

They play an active role in
voluntary programs like mentoring students in their
areas of expertise.

IIHMR University is proud to have many successful
alumni working in different fields.

The University organizes 'Know Your Alumni'
sessions for their current students.

NEW COURSES BY UNIVERSITY

IIHMR University organized a **free** online course on '**Introduction to Human Biology and Medical Terminologies**'

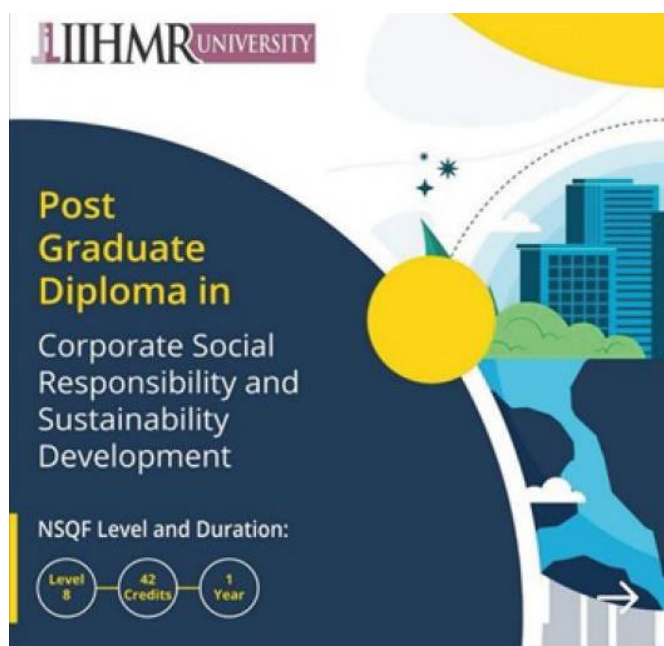

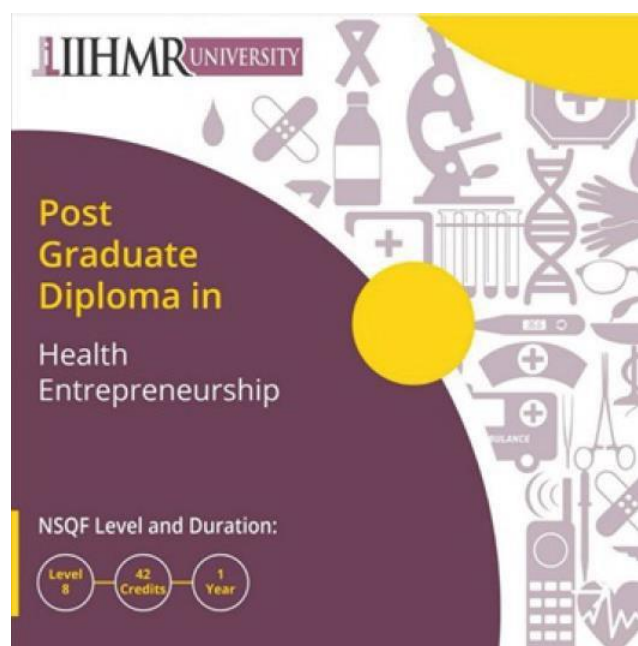

This introductory course is developed to impart basic knowledge on human biology particularly for the aspirants of MPH, MBA (Health, Hospital, Pharmaceutical and Rural Management) programs who do not have a biology/ health/ medical background.

The course describes cell structure and functions; anatomy and physiology of various systems in human body and organs; commonly used terms in day-to-day work in the health system. Simple videos, diagrams, and illustrations will be used to facilitate the online learning.

Programs Approved by UGC:

UGC has announced the approval of new skill-based courses to institutions under NSQF for the academic year 2020-21:

1. PG Diploma in Health Entrepreneurship (PGDHE) program.
2. PG Diploma in CSR and Sustainable Development.
