Management Development Program on Lean Six Sigma in Healthcare

This is to inform all concerned that IIHMR University, Jaipur, is organizing a **three-day Management Development Programme (MDP) on Lean Six Sigma in Healthcare** to enhance knowledge and practical application of quality improvement methodologies in healthcare operations.

Event Details:

- **Activity:** Management Development Program on Lean Six Sigma in Healthcare
- **Date:** 17–19 May 2024
- **Venue:** IIHMR University Campus, Jaipur
- **Organiser:** IIHMR University, Jaipur

The program will focus on building participants' understanding of Lean Six Sigma principles for improving quality, reducing variation, and eliminating waste in healthcare systems. Sessions will cover core concepts, including DMAIC methodology, Lean tools such as value stream mapping, 5S, and mistake-proofing, as well as statistical quality tools and practical applications in hospital and healthcare management. The program will include expert-led lectures, hands-on exercises, case discussions, and interactive sessions aimed at strengthening operational efficiency and quality management skills.
