**Seminar on Quality of Healthcare Management in India: Opportunities and Challenges**

This is to inform all concerned that the **Internal Quality Assurance Cell (IQAC), IIHMR University, Jaipur**, will be organizing a **Seminar on “Quality of Healthcare Management in India: Opportunities and Challenges”** on **3 June 2024** at the **Old Auditorium**.

India’s healthcare sector continues to evolve with expanding infrastructure and technological advancements, while facing persistent challenges related to affordability, accessibility, and quality management. The seminar is being organized to deliberate on these emerging challenges and explore future opportunities and innovative strategies for strengthening healthcare management practices in the country.

The session will be coordinated by **Dr. Tripti Bisawa, Professor & IQAC Coordinator**, and will bring together faculty, staff, and invited academic participants for knowledge exchange and discussion.
