Foundation & Framework of Regulatory Affairs

IIHMR University, Jaipur is pleased to inform that **Master Class Episode 137** on the topic "*Foundation & Framework of Regulatory Affairs: An Overview, Function & Global Significance – Overview of US Submission & Europe Post Approval*" will be organized on **02 May 2025**, from **10:00 AM to 01:30 PM (IST)** in **Online Mode**.

The session will be delivered by **Dr. Ankit Trivedi**, Senior Team Lead at Syneos Health.

The master class aims to provide an overview of regulatory affairs, international guidelines, and the evolving regulatory environment within the pharmaceutical industry. The session will also offer insights into global drug approval processes, country-specific regulatory frameworks, and post-approval requirements in the US and European markets.

This academic initiative reflects IIHMR University's commitment to strengthening industry-oriented learning and enhancing students' understanding of global pharmaceutical regulatory practices.

Faculty members and students are encouraged to attend and actively participate in the session.
