CIRCULAR

Celebration of National Librarian's Day

Dr. D. A. Henderson Library & Documentation Centre, IIHMR University, Jaipur, is organising National Librarian's Day on 12 August 2024 at the library premises.

The day commemorates Dr. S. R. Ranganathan (1892–1972), the Father of Library Science in India, and acknowledges his seminal contributions to the development of modern library practices and knowledge organisation. His legacy continues to guide the principles of librarianship and information management.

To mark the occasion, the library curated a special book display featuring works authored by Dr. S. R. Ranganathan, aiming to promote awareness about his intellectual contributions and inspire the academic community to engage with the foundations of library science.

The activity reinforced the role of libraries as knowledge hubs supporting academic excellence, research, and lifelong learning.

A handwritten signature in blue ink, appearing to read 'R. K. Sharma', is written over a horizontal line.
