PRADANYA – Global Health Management Research Conference (GHMRC 2025)

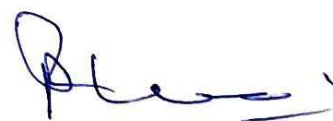

IIHMR University, Jaipur, will be organizing PRADANYA – Global Health Management Research Conference (GHMRC 2025) on 14–15 February 2025 at the University campus, Jaipur. This prestigious annual conference will be conducted on the theme “Transformative Solutions for Managing Global Health.”

The conference aims to provide a scholarly platform for academicians, researchers, practitioners, and policymakers to deliberate on emerging challenges and innovative solutions in global health management. The programme will focus on advancing research, fostering interdisciplinary dialogue, and promoting sustainable and technology-driven approaches to health systems strengthening.

GHMRC 2025 will be structured around four key thematic tracks:

- Transformative Solutions for Sustainable Public Health Management
- Cutting-Edge Methods for Sustainable Pharmaceutical Management
- Innovative Initiatives for Sustainable CSR and ESG Management
- Universal Digital Health and Analytics

The conference is envisioned to encourage knowledge exchange, research collaboration, and policy-relevant discussions aligned with contemporary global health priorities.
