“Risk of Cancer Among Women: Preventive Strategies and Accelerated Actions”

As part of the International Women’s Day/Week 2025 celebrations, IIHMR University, Jaipur, will organise an awareness session titled **“Risk of Cancer Among Women: Preventive Strategies and Accelerated Actions”** on Thursday, 6 March 2025, at the Old Auditorium, IIHMR University.

The event is being organised by the S.D. Gupta School of Public Health, in collaboration with the Centre for Gender Studies and coordinated by the GemPower Committee, IIHMR University, with support from Gender Champions.

The session will focus on preventive strategies for breast and cervical cancer, early detection methods, risk factors, and the importance of regular health checkups. Dr. Aditi Mittal, an expert in women’s health, will be the guest speaker. The session will include an interactive Q&A and conclude with a pledge to prioritise women’s health and spread awareness.

Faculty members, students, and staff are encouraged to attend and actively participate in this important initiative promoting women’s health and well-being.
