Management Development Programme on Data Analytics & Business Intelligence

This is to inform that IIHMR University, Jaipur, is organizing a **Management Development Programme (MDP)** on *Data Analytics & Business Intelligence* for staff members of the **World Health Organization – South-East Asia Regional Office (WHO–SEARO)**.

The programme aims to enhance analytical capabilities, strengthen data-driven decision-making skills, and provide in-depth exposure to business intelligence tools in the context of global health systems.

Event Details:

- **Title:** Management Development Programme on Data Analytics & Business Intelligence
- **Date:** 19–21 November 2025
- **Venue:** IIHMR University, Jaipur

The programme will be conducted under the guidance of **Dr. P. R. Sodani, President, IIHMR University**, and will bring together participants from across the South-East Asia Region to foster collaborative learning and strengthen global health competencies.

All concerned participants and stakeholders are encouraged to actively engage in the sessions to gain meaningful insights and practical knowledge in the field of data analytics and business intelligence.

President
