Pharma Supply Chain Management: Trends, Challenges & Innovations

IIHMR University, Jaipur, is pleased to inform that *Master Class – Episode 144* on the topic **“Pharma Supply Chain Management: Trends, Challenges & Innovations”** will be organized on 12 December 2025 from 10:00 AM to 01:00 PM IST in Offline Mode at IIHMR University, Jaipur.

The session will be delivered by Ms. Prajakta Shinde, Manager – Global Supply Chain Operations (GSCO), Lupin, Mumbai.

The master class aims to provide insights into the structure and key components of pharmaceutical supply chains, including demand forecasting, Sales and Operations Planning (S&OP), long-range planning, and execution strategies. The session will also highlight emerging trends, operational challenges, and innovative practices shaping the future of pharma supply chain management.

This academic initiative reflects the University’s commitment to enhancing students’ understanding of real-world supply chain dynamics and fostering industry-relevant competencies in pharmaceutical management.
