Reflecting upon the Idea of Development with Sustainable Futures

IIHMR University, Jaipur, is pleased to inform that *Master Class – Episode 143* on the topic **“Reflecting upon the Idea of Development with Sustainable Futures: Where Are We Heading and Why We Need to Learn Beyond Education”** will be organised on 2 December 2025 from 11:30 AM to 12:30 PM IST in Offline Mode at IIHMR University, Jaipur.

The session will be delivered by Prof. Rosanna Barros, Associate Professor, University of Algarve, Portugal, and Dr. Filipa Contente, Surgeon, Hospital de Faro Algarve, Portugal.

The master class aims to provide insights into sustainable development and the importance of lifelong learning beyond formal education, highlighting the role of adaptive health systems, stakeholder engagement, and evidence-informed policymaking in addressing global development challenges.

This academic initiative reflects the University’s commitment to fostering interdisciplinary learning and strengthening perspectives on sustainable futures among students and faculty members.

A handwritten signature in black ink, appearing to be 'N. S.', written over a horizontal line.
