NHA, GIZ COLLABE FOR HEALTH PROGRAMME

JAIPUR: Jaipur's GIZ, IIHMR University has collaborated with the National Health Authority (NHA) to develop a 'Capacity Building Programme' in health system research. It aims to support the implementation of the Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB PM-JAY) by enhancing research competencies and generating policy-relevant evidence.

The first workshop of the programme was held from May 24-25, 2023, at the IIHMR University Campus. Dr. PR. Sodani, President of IIHMR University, said, "This initiative is very important as it is aiming towards develop research competencies for supporting the NHA implementation by providing evidence for policy formulation."
