I IHMR University celebrated its Convocation - 2023 on Saturday. Dr PR Sodani, President of IIHMR University, proudly announced that this year, a total of 308 students were bestowed with degrees. The convocation ceremony was graced by the presence of Manish Gupta, Co-Founder and Chief Executive Officer of Indigen India, who delivered an inspiring address as the Chief Guest. He highlighted the remarkable advancements in India's health and wellness sector, attributing them to dedicated research in the field. Dr Ram Narayan, the Chief Operating Officer of Emirates Hospital Group, Dubai, also attended the event as the

Guest of Honour. Dr Narayan emphasized the importance of leadership and management skills for achieving excellence in the industry.

Dr PR Sodani welcomed the gathering with an address, presenting the annual report of IIHMR University. He expressed his pride in the graduates and their accomplishments, urging them to continue their quest for knowledge and growth. Dr Ashok Agarwal, the Founder Trustee of IIHMR, stressed the significance of lifelong learning, while Dr SD Gupta, Trustee Secretary, bestowed his blessings upon the outgoing students. Presiding over the convocation, Sudarshan Jain, the Chairperson of IIHMR University, congratulated the MBA and PhD graduates on their remarkable achievements.
