Tika Utsav. Covid-19 vaccine demand pressure builds up ahead of ‘Tika Utsav’

Updated - December 06, 2021 at 07:25 AM. | Ahmedabad, April 10

Survey by LocalCircles showed 77 per cent respondents willing to take the jab now, as against 38 per cent in January

BY OUR BUREAU

Increased readiness for the jab, local distribution hick-ups and supply issues at the vaccine makers' end are seen causing a shortage-like situation for Covid-19 vaccines in the country, experts noted.
