**Jaipur :** IIHMR University, in collaboration with IIHMR Foundation, successfully organized “Business Baazigar,” a dynamic event celebrating entrepreneurial spirit and innovation. The event, held on the occasion of National Startup Day, witnessed enthusiastic participation from over 1,000 individuals, creating a vibrant atmosphere of creativity and commerce.

The highlight of the event was the establishment of 15 unique stalls curated by talented student entrepreneurs. These stalls showcased an impressive array of products and innovative services, ranging from handmade crafts to cutting-edge ideas, reflecting the ingenuity and entrepreneurial drive of the participants. The event served as a platform for aspiring entrepreneurs to present their business concepts and connect with like-minded individuals.

Dr. P.R. Sodani, President, IIHMR University, visited the stalls and encouraged students to explore entrepreneurial ventures. He shared, “Entrepreneurship is the backbone of economic development, and events like Business Baazigar help ignite the spark of innovation among young minds. These young minds are our path towards achieving government’s mission Viksit Bharat 2047.”

The event aimed to inspire young minds to embrace entrepreneurship while fostering a culture of collaboration and innovation. Business Baazigar is a testimony to IIHMR’s commitment to supporting startups and nurturing the next generation of business leaders.

The celebration concluded on a high note with engaging interactions, valuable networking opportunities, and a renewed spirit of entrepreneurship. Participants and attendees left inspired and motivated to pursue their entrepreneurial dreams, marking the day as a milestone in fostering a startup ecosystem within the university community.
