Jaipur, 15th February, 2025: IIHMR Foundation conducted its inaugural Advisory Board Meeting at IIHMR University, bringing together esteemed leaders and experts from various fields to discuss a strategic roadmap for driving innovation, entrepreneurship, and impactful initiatives within the healthcare ecosystem. The discussions centered on fostering collaboration, strengthening industry partnerships, and exploring new opportunities for growth and innovation in the healthcare sector.

The meeting was honored by the presence of Chief Patron Dr. Raghunath Anant Mashelkar, alongside Board Members Dr. S.D. Gupta, Dr. P.R. Sodani, and Ms. Yamini Agarwal. The Advisory Board included Dr. Sheenu Jhavar, Mr. Anshuman Tiwari, Mr. Kishore Khaitan, Mr. Rakesh Mehta, Mr. Ashish Goyal, Dr. Seema Mehta, and Dr. R. Sarala, with Dr. Ashok Agarwal as a special invitee. The Executive Team, led by Mr. Puneet Datta, Dr. Kushal Pareek, Mr. Tushar Bhatia, and Ms. Ayushi Jain, played a key role in facilitating the discussions.

Dr. P.R. Sodani, President, IIHMR University shared, "The inaugural Advisory Board Meeting of IIHMR Foundation marks a significant milestone in our journey toward fostering innovation and entrepreneurship in healthcare. With the collective wisdom of esteemed experts and industry leaders, we are committed to driving impactful initiatives, strengthening global collaborations, and creating an ecosystem that empowers healthcare startups and pioneers transformative solutions. At IIHMR University, we remain dedicated to advancing research, nurturing talent, and shaping the future of healthcare through strategic partnerships and innovation-driven growth."

The discussions focused on strengthening IIHMR's role in fostering innovation and entrepreneurship, emphasizing the need for strategic initiatives to support growth in the healthcare sector. Expanding global partnerships and enhancing outreach efforts were identified as key priorities to increase IIHMR's impact and engagement on an international scale. Advisory members shared valuable insights on emerging industry trends, ecosystem development, and strategies to drive sustainable progress. Additionally, the board explored potential collaborations with stakeholders to initiate high-impact projects that would further advance healthcare innovation and entrepreneurship.

The meeting concluded with a shared commitment to empowering healthcare startups, driving impactful research, and solidifying IIHMR's leadership in incubation and entrepreneurship.
