

Workshop on Innovation for Impact: Entrepreneurship in Healthcare & Sustainable Development

Date: March 6, 2025

Duration: Half day

Venue: Old Auditorium

Organizing Committee: Entrepreneurship Committee

Organizers: Dr. Sudhinder Chouhan, Dr. Neetu Purohit, Dr. Seema Mehta

Student Committee Members: Mansi Pal, Ishank Yadav, Tannavi Patle

Workshop Description:

The objective of this workshop was to provide real-life insights into starting a sustainable business model, offering practical guidance and inspiration for students interested in entrepreneurship. The workshop was also to help participants assess and enhance their entrepreneurial readiness.

Purpose:

- ✓ Learn about the journey of a student entrepreneur
- ✓ Understand the challenges and strategies involved in launching a sustainable venture
- ✓ Gain insights into key entrepreneurial skills

- ✔ Get inspired to take the first step toward your startup

Outcome-

The workshop, **“Innovation for Impact: Entrepreneurship in Healthcare & Sustainable Development,”** successfully inspired participants through an engaging pep talk delivered by a student entrepreneur, who is currently running a startup. The workshop enabled participants to identify key challenges faced by entrepreneurs and gain valuable insights into essential entrepreneurial skills. Additionally, they developed a deeper understanding of the dedication and hard work required to balance entrepreneurship with academics. Hearing firsthand experiences from a student entrepreneur made the session relatable and filled the participants with the motivation and practical knowledge to take the first step toward their entrepreneurial journey.
