Event Details & Description:

As part of International's Women's Week events, a special awareness session was conducted on breast cancer and preventive strategies. Guest speaker Dr. Aditi Mittal spoke about the increasing risk of breast cancer due to hormonal disturbances, risk factors, importance of early detection etc.

She also talked about the importance of regular self-examination of breast as well as cervical cancer also. The session was very interactive and enriching, there was Q&A round followed by the seminar and thus the event concluded by taking pledge to prioritize regular health checkups and spread awareness.
