

Activity Completion Report

Activity Details:

Activity Title: Foundation Day

Date & Duration of activity (Days): October 6, 2025

Name of the school: Cultural Committee

Name & Contact Details of the organiser (s): Dr. Kajal Sitlani

Event Details & Description:

IIHMR University celebrated its 41st Foundation Day on October 6, 2025, commemorating more than four decades of pioneering work in health management education, research, and policy. The event began with a welcome address by Dr. P.R. Sodani, President, IIHMR University, who took the audience through the institution's inspiring journey since its establishment in 1984. He highlighted the university's evolution into a globally recognised centre of excellence, its academic growth, impactful research, and strong national and international collaborations. On this occasion, Dr. P.R. Sodani announced the establishment of the Centre for Environmental Health, a significant initiative aimed at addressing pressing public health challenges related to climate change, water and sanitation, occupational health, and heat stress. The celebration also included the presentation of the Distinguished Alumni Awards, instituted to honour alumni who have made exemplary contributions to advancing healthcare and public health management.
