Jaipur: Network and Alliance of Transplant Coordinators (NATCO), along with MOHAN Foundation Jaipur Citizen Forum (MFJCF), are organising the 18th annual conference in Jaipur from Oct 10 to 11 at **IIHMR University**. The event aims to promote organ donation and share success stories from across the country. Over 175 transplant coordinators from across the country will participate, . The conference aims to emphasise their invaluable role, providing a platform to exchange knowledge and experiences to further strengthen the organ donation system in India. tnn
