Event Details & Description:

The Dr. D.A. Henderson Library & Documentation Centre, IIHMR University, Jaipur, successfully organized a Book Fair on December 22, 2025, with the objective of promoting reading culture and providing access to the latest academic and general publications under one roof. The event aimed to support teaching, learning, and research by offering a diverse collection of books aligned with the university's academic focus.

The Book Fair showcased a wide range of publications covering disciplines such as Hospital Management, Health Management, Pharmaceutical Management, Digital Health, Health Economics, Management, Healthcare Delivery Systems, Rural Development Studies, Indian Culture, and General Knowledge. The carefully curated collection addressed the academic needs of students and faculty while also encouraging general reading and intellectual exploration.

The event witnessed enthusiastic participation from students, faculty members, and researchers, who actively engaged with publishers and vendors. Book fairs play a significant role in fostering a reading habit, exposing readers to emerging knowledge trends, and strengthening the connection between libraries, publishers, and the academic community. The Book Fair contributed positively to enriching the learning environment of the university and reinforced the library's role as a knowledge hub.
